

MEDIUM TERM CURRICULUM MAP

ST JOHN FISHER RC PRIMARY SCHOOL

YEAR 3

Autumn 2024-2025

In order to help our pupils **'KNOW MORE and REMEMBER MORE'** we revisit knowledge that has been taught in a variety of ways. Each lesson starts with reviewing prior learning, including games, quizzes and recaps; throughout each theme teachers regularly recap significant knowledge and at the end of each half term, pupils play the 'SJF Know More, Remember More Gameshow/Quiz'. This informs teachers' assessments, whilst also helping to move the significant knowledge (from each theme taught in each year group) into the long-term memory of each pupil.
Helping to embed that significant knowledge.

Year 3	Foundation Subjects Curriculum coverage		Autumn 2024
Subject and Topic	Significant Skills	Significant Knowledge	
Religious Education	<p>Topic 1: Refer to cover sheet Ask and respond to questions about their own and others' experiences and feelings about homes. Respond about what they and others wonder about what makes a house a home and realise that sometimes this is a difficult question to answer. Make links to show how feelings and beliefs affect how they, their behaviour and that of others in relation to the give and take of living in a family. Judaism: Demonstrate an understanding and respect for all faiths. Demonstrate a tolerance and value for all faiths.</p>	<p>Topic 1: Refer to cover sheet Retell a narrative scripture. Describe a range of religious beliefs. Describe actions of believers that arise as a consequence of their beliefs. Topic 2: Retell a narrative that is accurate in its sequence. Describe religious signs and symbols used in worship. Give reasons for the symbols used in Baptism. Judaism: Understand that there are special places. Learn about the synagogue. Understand the importance of the synagogue.</p>	
Science	<p>Light & Shadow: Able to set up a simple fair test. Able to make careful observations and measurements. Able to record findings. Able to make predictions.</p>	<p>Light & Shadow: Recognise that we need light in order to see things and that dark is the absence of light. Notice that light is reflected from surfaces. Recognise that light from the sun can be dangerous and that there are ways to protect our eyes.</p>

ST JOHN FISHER RC PRIMARY SCHOOL

Year 3	Foundation Subjects Curriculum coverage		Autumn 2024
Subject and Topic	Significant Skills	Significant Knowledge	
Computing	<p>Learning about the purpose of routers. Understanding the role of the key components of a network. Understanding that websites and videos are files that are shared from one computer to another. Learning about the role of packets. Understanding how networks work and their purpose. Identifying the key components within a network, including whether they are wired or wireless. Recognising links between networks and the internet. Learning how data is transferred.</p> <p>Recognising how social media platforms are used to interact. Recognising that different information is shared online including facts, beliefs and opinions. Learning how to identify reliable information when searching online. Learning how to stay safe on social media. Considering the impact, technology can have on mood.</p>	<p>Understand that a network is a group of interconnected devices. Know the components that make up a network (Wireless access point/WAP, Network switch, Router, Server and devices). Know that a server is central to a network and responds to requests made. Know that the internet connects all the networks around the world. Know that a router connects us to the internet. Know what a packet is and why it is important for website data transfer.</p> <p>Know that not everything on the internet is true: people share facts, beliefs and opinions online. Understand that the internet can affect your moods and feelings. Know that privacy settings limit who can access your important personal information, such as your name, age, gender etc. Know what social media is and that age restrictions apply.</p>	
Art	<p>Develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.</p> <p>Able to effectively scale up drawings.</p>	<p>The process of making art in prehistory was to tell stories and record history. The images you see from prehistory art were important to the people of the time. Crushed charcoal can be used to create different textures. Charcoal can smudge easily. Fixing spray can be helpful.</p>	
Design & Technology	<p>Creating a healthy and nutritious recipe for a savoury tart using seasonal ingredients, considering the taste, texture, smell and appearance of the dish. Knowing how to prepare themselves and a workspace to cook safely in, learning the basic rules to avoid food contamination.</p>	<p>Know that not all fruits and vegetables can be grown in the UK. Know that climate affects food growth. Know that vegetables and fruit grow in certain seasons. Know that cooking instructions are known as a 'recipe'. Know that imported food is food that has been brought into the country.</p>
