All children who attend St. John Fisher Extended Services, will be valued, respected and listened to. All St John Fisher pupils, from Reception to Year 6, are entitled to join the Clubs.

Aims & Objectives:

The Clubs at St John Fisher R C Primary School aim to: -

- provide a safe, secure and happy environment for every child
- provide a stimulating and well-organised environment, where the children can carry out a selection of activities, independently or with adult support
- provide healthy breakfasts and snacks in the afternoons when fruit and water are also always available
- enable parents/carers to feel confident in the knowledge that their children are receiving good quality care
- extend the caring ethos of St John Fisher School and provide further opportunities to enhance their learning and personal development

Procedures for Admissions:

This policy sets out:

- the way in which places will be allocated where demand exceeds the number of places available
- the process for booking and cancelling places
- the way in which payments must be made

This policy should be read in conjunction with the School Behaviour policy. The Club also follows the school's AntiBullying, Complaints and Safeguarding policies.

Admissions are based on the following:

- The current maximum number of places available are **32 in breakfast club** and **40 in after school club** Monday to Friday. Maximum numbers in the FFC holiday playscheme are 32 with a lower number **of 20** on 'trip' days (*currently subject to restrictions due to COVID pandemic*).
- Ratio of staff is 1-8 for children aged up to eight years old as an optimum standard
- All children **must** have a completed registration form and signed Terms and Conditions form before attending any club provided by St John Fisher as well as having their information registered on the Kids Club HQ.
- For both Breakfast and ASC places starting in September 2022, priority will be given to the children who have been attending the respective clubs on a contract basis from the previous school year. For FFC Holiday Playscheme places are allocated on a first come first served basis.
- If places are then still available in either Breakfast or After School Club priority will be given to siblings of the children already allocated a place.
- Any remaining places for either Club (breakfast or afterschool) will be allocated to children in the order applications have been received.
- A waiting list will be put in place for children who cannot be offered a place.
- When a contract booking is made it will be assumed that the place will be required for the **full academic year** or the remainder of the academic year if the place is offered during the academic year. Cancellations are processed according to the terms set out below.

Booking ad hoc places: (Currently not available)

A registration form and a signed copy of the policy must be completed for all children applying for ad hoc places in either club and returned to the Extended Services Manager. Once registered on the system ad hoc bookings can be made where places are available on : <https://st-johnfisher.kidsclubhq.co.uk/rdr?u=home>

If children have not been booked into any of the clubs on the Kids Club system, they will not be able to attend the club.

Payment:

All payments must be made monthly in advance, no later than the first day that the child normally attends the club. Payments should be made online by Bank Transfer to the school account, with Childcare vouchers (if you are already registered with a provider) or by registering for a Government Child Care Account – further information can be found at www.gov.uk/childcareaccount. It is the parent/carers' responsibility to ensure that money is received by the Club on time. If payment of fees is not received, the place in the Club may be at risk.

Payment must be made for holiday club at time of booking and prior to attendance. All bookings are final and no refunds are made for days missed or allocated to future bookings unless exceptional circumstances have been agreed by the Extended Services Manager and the Head Teacher.

Charges for late collection from the After School Club

- The last After School Club 'pick ups' are from 5:45-6:00pm. Staff are not paid to stay after these hours.
- Any pick up after 6:00pm is classified as late.
- Parents/carers will be charged £8 for every 10 minutes they are late. The charges will start from 6:05pm with the first charge being £8.
- If you are running late, **please call or text the work mobile 07366 436929** to inform the staff.
- Parents/carers who are **persistently** late may be told that their child can no longer attend the Club.

Overdue Payments

When a payment (including a payment due to a late collection) is a month in arrears, a letter or email will be sent asking for payment within 48 hours. A place in the club may be suspended after 48 hours has elapsed until the payment is made. If payments are received in arrears on more than two occasions, the Club may withdraw a child's place in the Club and will offer the place to a child on the waiting list. Parents/carers who are unable to meet their obligation to pay for a child's place in the Club should discuss the situation with the Extended Services Manager immediately.

Early School Collections:

On the last day of every term, the children finish school at **2:00pm**. The Afterschool Club will collect the children booked in on this day. There will be a fee of **£5** added to each child's account to cover the additional cost of the early collection. As bookings are made in advance this cost will reflect on your account.

Notice Period to terminate child's place at the Club:

If a parent/carer no longer requires a session/s at the Club on a **regular basis**, they must give **4 weeks written notice** (by email) to withdraw from that place. Parents/carers will be required to pay for the place until 4 weeks has elapsed, irrespective of whether the place is taken up by another child, other than in exceptional circumstances (see below in absence section).

Absence:

If a child is absent from the Club on a given day, parents/carers must inform the Extended Services Manager no later than 2.00pm, even if they know that they will be charged for the non-attendance. Failure to advise us about an absence will incur an **additional payment of £5.00**. This is to ensure that staff do not spend time looking for children who are not due to be in After School Club, and to ensure that children are safely dismissed by their class teacher at the end of the day rather than sent straight to After School Club. If a child is absent at very short notice, parents/carers should telephone the Extended Services Manager as well as sending an email. No refunds are given for days missed or cancelled except in exceptional circumstances; which include those where a child is unable to attend for reasons beyond parental/carer control – for example redundancy, bereavement or long term illness.

The Role of Parents/Carers:

Staff will work in partnership with parents/carers in order to provide consistency of care. An awareness of the various cultural, religious and ethnic backgrounds, dietary requirements, medical needs, special needs and differences is reflected in the practice and provision of the clubs.

Safeguarding:

The Clubs follow the school safeguarding procedures and all members of staff are trained in these. It might be necessary for a risk assessment to be carried out before a child is offered a place at the Club. Reasons for this include behavioural and physical needs that may need adjustments to be made to assure the safety and wellbeing of all in the setting.

Complaints:

The Clubs follow the school’s Complaints Policy

Ofsted

The After School Club will be subject to OFSTED inspections as part of St John Fisher School Inspections.

Data Protection

All data collected will only be used for the purposes of the organisation of the wrap-around care at St John Fisher School and will be held in line with the School Data Protection Policy, the Data Protection Act 2018 and General Data Protection Regulation.

Monitoring and review

It is the responsibility of our Governing Body to agree and then monitor the school club admissions policy. The policy will be reviewed in June 2022.

I confirm that I have read the above policy and agree to the terms and conditions contained within it.
