Legislative Compliance

The Disability Discrimination Act

The Disability Discrimination Act (DDA) 2010 aims to end the discrimination that faces many people with disabilities.

It now gives people with disabilities rights in the areas of:

- employment
- education
- access to goods, facilities and services, including larger private clubs and transport services
- buying or renting land or property, including making it easier for people with disabilities to rent property and for tenants to make disability-related adaptations
- functions of public bodies, for example issuing of licences

The legislation requires public bodies to promote equality of opportunity for people with disabilities. It also allows the government to set minimum standards so that people with disabilities can use public transport easily.

Definition of Disability:

Disability is defined by the Disability Discrimination Act 2010 (DDA):
A person has a disability if he or she has:

'a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.'

The purpose and direction of the school's plan: vision and values

At St John's CE Primary School we are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all children. The achievements, attitudes and well-being of all our children

matter. St John's CE Primary School promotes the individuality of all our children, irrespective of ethnicity, faith, attainment, age, disability, gender or background.

Our school strives to be an inclusive school. We actively seek to remove the barriers to learning and participation that can hinder or exclude individual pupils, or groups of pupils. This means that equality of opportunity must be a reality for our children:

We define equality in line with the Equality Act 2010 and recognise the following protected characteristics:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation.

The main priorities in the school's plan

We take all advice, guidance and support needed to ensure we meet the needs of children and adults with disabilities or those who require alternative access arrangements permanently or for a fixed term.

The action plan ensures that:

- The school draws on the expertise of external agencies to provide specialist advice and support.
- The SENCO has an overview of the needs of disabled pupils.
- There are high expectations.
- There is appropriate deployment and training of learning support staff.
- Successful practice is shared within the school.
- Disabled pupils have access to extra-curricular activities.
