

How would a holiday in Almeria compare to a holiday in Blackpool?

Design Technology

Class 5 will be looking at cooking and nutrition. Celebrating culture and seasonality of Spanish foods and breads. They will then be taste-testing, researching ingredients and then baking their own bread.

Science

This half term we will continue to focus on properties and changes of materials. We will compare and group together materials on the basis of their properties. We will also use knowledge of solids, liquids and gases to decide how mixtures might be separated.

OTHER CURRICULUM AREAS

In Spanish, Class 5 will be learning about how to say the date. In Computing we will be learning the importance of security when sharing information and online relationships

English

Novel as a theme

Using 'The Invention of Hugo Cabret' by Brian Selznick as inspiration the children will be asked to write a short story about an invention.

Poetry

The children will be introduced to a number of poets and a collection of some of their most famous work. They will then learn and perform a poem.

Geography

Through this topic we will be looking at where and what Europe is. We will then focus on Spain and in particular Almeria and the region of Andalucía. After that we will look at the physical and human characteristics of that area and finally we will compare the tourism in Almeria with Blackpool.
