How would a holiday in Almeria compare to a holiday in Blackpool?

Art

Class 5 will be exploring street artists such as Aimee Carmella, Banksy, Zephyr. They then will be using some of what they have learned from these artists to produce their own original work. Finally, they will compare street art in Almeria to street art in Blackpool.

Science

This half term we will continue to focus on properties and changes of materials. We will compare and group together materials on the basis of their properties. We will also use knowledge of solids, liquids and gases to decide how mixtures might be separated.

OTHER CURRICULUM AREAS

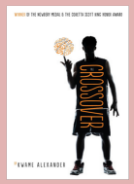

In Spanish, Class 5 will be learning about how to say the home/where you live. In Computing we will be learning the importance of security when sharing information and online relationships.

English

Novel as a theme

Using 'The Invention of Hugo Cabret' by Brian Selznick as inspiration the children will be asked to write a short story about an invention.

Poetry

The children will be introduced to the book 'The Crossover' by Kwame Alexander in guided reading. They will then meet the author at the children's book show.

Geography

Through this topic we will be looking at where and what Europe is. We will then focus on Spain and in particular Almeria and the region of Andalucía. After that we will look at the physical and human characteristics of that area and finally we will compare the tourism in Almeria with Blackpool.
