THE CHURCH OF ENGLAND IN LANCASHIRE

6th January 2026.

Y5 Eco Town

Monday 12th January 2026

Y5 will be visiting Eco Town on Monday 12th January.

Eco Town is based in the Environmental Education Centre at Farington Waste Recovery Park. During the class visit to Eco Town, the children will discover different ways of recovering valuable resources, from household waste and how to reduce, reuse and recycle.

Eco Town is an exciting environmental education experience. It is divided into three districts: Materials, Mechanical, and Bio, featuring 13 streets for the children to explore.

As they make their way through the districts, they will learn about the processes we use to sort the waste so it can be recycled into something new or even renewable energy.

Children will be leaving promptly at **9.00am**. We will return to school by normal home time, dependant on traffic.

The children are to wear their school uniform. Packed lunches will be provided by the school kitchen for children entitled to **free school meals only**, all other pupils will need to bring their own packed lunch (as ecofriendly as possible).

There will be no charge for this trip as it has been funded by the Clore Duffield Foundation grant received for this year.

Please could you return the **permission slip** to school by **Friday 9th January**.

Thank you

Mr Giles / Mr Corser
Year5 Teachers

I give permission for (Name of child) _____

to attend the year 5 trip to Eco Town on **Monday 12th January**.

Signed _____
