THE CHURCH OF ENGLAND IN LANCASHIRE

January 2026

Y4 Southport Eco Centre.

Thursday 5th February 2026

Class 4 will be visiting Southport Eco Centre on **Thursday 5th February** as part of their geography work. Whilst at the recycling centre, children will be looking at the cost of waste on the environment. Pupils will learn how we can do more to reduce waste, through interactive hands-on activities, including in house digital games, as well as discovering how big our waste footprint can be in 21st century. The day will challenge their view about the rubbish they generate and explore new technologies that enable, better, innovative waste management.

We will be leaving school promptly following registration. We expect to return to school at normal home time, but this will depend on traffic and could be slightly later (**we will inform parents via ParentApp if it is later than expected**). If your child suffers from travel sickness, please send in a named envelope, a tablet for the return journey and hand to the class teacher.

The children are to wear their school uniform and all children will need a packed lunch in a lunch box. **Children on free school meals will have a packed lunch provided by the school kitchen.**

There will be no charge for this trip as it has been funded by the Clore Duffield Foundation grant received for this year.

Please return the completed slip no later than **Friday 30th January**.

Many thanks,

Mr Weston.

Class 4 Teacher.

I give permission for _____, Class 4
to visit Southport Eco Centre on **Thursday 5th February**.
