Last updated: October 2020

Review period: October 2022

## **Equality Policy**

At St John's CE Primary school. we believe that equality should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of our school community should feel safe, secure, valued and of equal worth.

Our mission statement

### ***'Everyone matters in God's World'***

reflects our ethos which, promotes, recognises, celebrates and welcomes diversity, honesty, respect and tolerance.

This policy abides by the Equality Act 2010 which, promotes fundamental British values, community cohesion and has a single equality duty of positively combating inequality. The primary purpose of the legislation is to bring together existing equalities legislation.

The Act imposes equality duties in respect of the following:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnerships
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

The Single Equalities Policy is intended to replace/cover the following:

- Race Equality Policy and Action Plan
- Disability Equality Scheme and Action Plan including Accessibility Plan (see Appendix)
- Gender Equality Scheme and Action Plan
- Equal Opportunities Policy including:
  - Sexual Orientation
  - Age
  - Religion or Belief
- A strategy for promoting community relations

### ***Statement of Principles***

Our Equality policy outlines the commitment of the staff, pupils and governors of St John's CE Primary School to ensure that equality of opportunity is available to all members of the school community. For our school, this means not simply treating everybody the same, but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school. These include:

- Pupils
- Staff
- Parents/carers
- The governing board
- Multi-agency staff linked to the school
- Visitors to school
- Volunteers and Students on placement

At St John's, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Our arrangements for access to services are fair and transparent, and do not discriminate on gender, ethnicity, disability, religious beliefs, sexual orientation, age or any other recognised area of discrimination.

We are committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body/advisory board that is representative of all sections of the community in order to respond to the diverse needs of our population.

We aim to provide all our service users with the opportunity to succeed, and to reach the highest level of achievement. The progress of children will be monitored – where appropriate – by race, gender and disability and we will use this data to support children, raise standards and ensure inclusive services.

We pride ourselves on the fact that St John's is a genuinely inclusive community. Our motto, 'Everyone matters in God's World', applies to everyone involved with the community. Our school provides an inclusive communication environment to ensure that everyone has full access to all aspects of school life and feels included in everything we do.

### **School Context**

Blackpool does not have a significantly diverse population and whilst St John's pupils are predominantly White British, we do have 38 children from 12 other ethnic groups.

St John's is a Primary school based in the town centre in an area of high social and financial deprivation. We have pupils with ASD and with complex special educational and emotional needs. The gender split among pupils is 52% male to 48% female and although the majority of staff are female (34 female : 6 male), every opportunity is taken to provide suitable role models.

The school is fully accessible for people with a range of disabilities.

There are 4 Looked After Children (LAC) or Post LAC in school.

St John's location in the town centre of Blackpool provides our school with the chance to be right at the heart of our community and we receive many positive comments and feedback to suggest that St John's is a social anchor for the community.

### **Ethos and Atmosphere**

- At St John's CE Primary School, the senior leadership team will demonstrate mutual respect between all members of the school community
- We are proud that we receive so many comments about how welcoming our school is.
- We value our inclusive communication environment to ensure full access to all aspects of school life
- We recognise the importance of a peer group and role models in developing a positive self-identity
- Respecting and valuing diversity demonstrates our commitment to promoting community cohesion and is reflected in multi-cultural provision, curriculum activities and extended services.
- All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school and centre with friendliness and respect

- The displays around the school and centre are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities
- We have strong links with the local community including St John's Church, local children's centres, primary and high schools, workplace providers, local colleges and businesses

### ***Policy Development***

This policy applies to the whole school community. We involved pupils, staff, governors, parents and carers, and our wider school community in creating this policy and action plan, either directly with the school community or through previous policy documents that have contributed to this development. This helped to ensure that the views of potentially disadvantaged groups were fully incorporated.

Examples include:

- Discussions by our School Council and during Circle Time
- Contact with parent/carers (meetings, parental questionnaires, coffee mornings)
- Staff Meetings
- Discussions at governing board committees
- Discussions within the Blackpool Training School Alliance (BTSA)
- Parent Workshops
- Local authority – SEN/Inclusion Adviser

### ***Other School Policies***

We have used our existing school policies to inform our Equality Policy.

These include:

- Equal Opportunities Policy
- School Development & Improvement Plan
- Accessibility Plan
- Behaviour Policy
- SEN Policy
- SMSC Policy
- Anti-Bullying Policy

### ***Monitoring and Review***

St John's CE Primary School is an inclusive school. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing board receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information.

## Information Gathering (Pupils).

Areas for analysis with regard to equality information include:

- Attainment levels
- Attendance levels
- Exclusions
- Attendance at external provision Extended School activities / extra-curricular activities
- Complaints of bullying and harassment
- Complaints of racism
- Participation in School Council
- Pupil contributions to Pupil Attitude Questionnaire

Issues identified from the above will be prioritised over the three-year life span of our scheme and will be included in the Action Plan.

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

St John's is committed to providing a working environment free from discrimination, victimisation, and harassment. We aim to recruit an appropriately qualified workforce and governing board that is representative of all sections of the community in order to provide a service that respects and responds to the diverse needs of our population.

We collect and analyse the following information for our staff and governors:

- Applicants for employment
- Staff profile
- Attendance on staff training events
- Disciplinary and grievance cases
- Staff Appraisals/performance management

The information gathered is treated confidentially and any issues identified from the above will be prioritised over the three-year life span of our scheme and will be included in the Action Plan.

Due regard is given to the promotion of equality in our School Improvement Plan.

The Head teacher is responsible for the monitoring and evaluation of our policy and action plan and will:

- Lead discussions, organise training, update staff in staff meetings, support discussions;

The provision of good quality resources and materials within St John's CE Primary School is a high priority. We acknowledge that ICT is a powerful tool and endeavour to maximise its potential through continued investment in resources. ## **Extended Learning Opportunities**

It is the policy of this school to provide equal access to all activities from an early age. We undertake responsibility for making contributions to extended learning opportunities and are aware of the school's commitment to equality of opportunity (e.g. sports helpers, play leaders) by providing them with written guidelines drawn from this policy.

We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

- This must include pupils' access to a balance of male and female staff at all key stages where possible.
- We encourage the career development and aspirations of all school staff.

- All temporary staff are made aware of policies and practices
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role.

In addition, there are also instances in which a job will qualify for a genuine occupational qualification on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

### ***Partnerships with Parents/Carers/Families and the Wider Community***

- We will work with parents/carers to help all pupils to achieve their potential.
- All parents/carers are encouraged to participate in the full life of the school.

Our admission arrangements are fair and transparent and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will be consistently based on St John's Behaviour Management Policy. We will closely monitor exclusions to avoid potential adverse impact and ensure any discrepancies are identified and addressed.

### ***Managing Incidents of Discrimination***

Harassment on account of race, gender, disability or sexual orientation is unacceptable and is not tolerated within the school environment.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's individual circumstances.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to the class teacher or member of the Senior Leadership Team where necessary. All incidents are reported to the Head teacher and racist incidents are reported to the Governing Board and the Local Authority (LA) on a termly basis.

### ***Reporting***

All incidents of discrimination will be reported, monitored and managed under the Behaviour Management Policy (Pupils) and the (LA model) Disciplinary / Grievance Policy for adults.

### ***Roles and Responsibilities***

- Our governing board will ensure that the school complies with statutory requirements in respect of this policy and action plan

- The head teacher has day-to-day responsibility for co-ordinating the implementation of this policy
- Our staff will promote an inclusive and collaborative ethos in the school, challenge inappropriate language and behaviour, respond appropriately to incidents of discrimination and harassment, ensure appropriate support for children with additional needs and maintain a good level of awareness of equalities issues
- All members of the school community have a responsibility to treat each other and staff with respect, to feel valued, and to speak out if they witness or are subject to any inappropriate language or behaviour
- We will take steps to ensure all visitors to the school adhere to our commitment to equality

### ***The Measurement of Impact of the Policy***

This policy will be evaluated and monitored for its impact on pupils, staff, parents and carers from the different groups that make up our school. An action plan will be published to enable an impact assessment to be undertaken at the appropriate time within a given timescale.

### ***Publishing the Policy and Plan***

This policy is a public document that is available to any interested stakeholder. The policy is published on our website [www.stjohnsblackpool.co.uk](http://www.stjohnsblackpool.co.uk) and included in our Staff Induction pack.

### ***Annual Review of Progress***

We are legally required to report annually on progress and performance in respect of policy covering ethnicity, disability and gender and to report annually on progress to improve access for disabled pupils, including access to the curriculum, physical access and access to information.

Taking this single equality approach we will incorporate all requirements into one annual report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

The policy has a life span of three years and must therefore be reviewed and revised as part of a three-year cycle.

The Action Plan is included with other improvement plans in the School Development Plan.

### ***Equality Impact Assessments***

Undertaking equality impact assessments (EIAs) is similar to undertaking health and safety risk assessments. It involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.

EIAs were introduced with the Race Equality Duty and are now also required for both disability and gender. It is also best practice to consider age, religion and belief, and sexual orientation as part of this process.

EIAs are a way in which we will analyse all of our work (this could be a policy, procedure, project, strategy or service) to ensure it meets the needs of all our service users and that no group (in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation) is disadvantaged or cannot access our services.

## **Appendix – Equality Legislation Guidance**

**(Note: The duties outlined below are now elements of the Public Sector Equality Duty)**

### **RACE**

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

#### **The Race Equality Duty**

##### **What is it?**

- The Race Relations (Amendment) Act 2000 (which includes the Race Equality Duty) amended the Race Relations Act 1976
- It came into effect from April 2001

##### **Who is covered?**

- Pupils, parents/carers, prospective pupils and parents/carers, staff, job applicants, governors and others using school facilities

##### **General duties**

- Tackle racial discrimination
- Promote equality of opportunity
- Promote good relations between persons of different racial groups

##### **Specific duties**

- From May 2002 school must publish a Race Equality Policy which includes an implementation strategy or action plan (effectively a Race Equality Scheme), monitor it annually and review it every three years,
- Involve appropriate and diverse stakeholders in developing the policy,
- Monitoring the impact of the school's policies on pupils' performance and progress,
- Provide ethnic monitoring data on their staff in regular returns to the Local Authority

##### **Reporting racist incidents in schools**

Schools are required to have in place a procedure for dealing with and reporting racist incidents, which includes providing an annual summary of racist incidents to Blackpool Council.

### **DISABILITY**

#### **What is a disability?**

Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:

- substantial (more than minor or trivial)
- adverse
- long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can

result in a person being *disabled* (eg diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

### **General duties**

- Promote equality of opportunity
- Eliminate unlawful discrimination
- Eliminate disability-related harassment
- Promote positive attitudes towards disabled people
- Encourage disabled people's participation in public life
- Take steps to take into account people's disabilities.

### **Specific duties**

- From December 2007 primary schools must prepare and publish a disability equality scheme, monitor it annually and review it every three years;
- Involve disabled people in the development of the scheme.

Set out in their scheme:

- how disabled people have been involved in its preparation;
- their arrangements for gathering information on the effect of the school's policies on:
  - the recruitment, development and retention of disabled employees,
  - the educational opportunities available to and the achievements of disabled pupils,
  - the school's methods for assessing the impact of its current or proposed policies and practices on disability equality,
  - the steps the school is going to take to meet the general duty (the school's action plan),
  - the arrangements for using information to support the review of the action plan and to inform subsequent schemes.

## **GENDER**

The term gender includes boys, girls, men and women, and transgender / transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

### **What is the difference between sex and gender?**

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

## **Sexual Orientation**

**Heterosexism** is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or

should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as **homophobia**, although **lesophobia** and **biphobia** are also coming into use. Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

**Sexual orientation** is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

### **General duties**

- Eliminate unlawful discrimination and harassment
- Promote equality of opportunity between male and female pupils and between men and women
- Promote good relations

### **Specific duties**

- From April 2007, schools must prepare and publish a Gender Equality Scheme, showing how the school will meet its general and specific duties and set out its gender equality objectives, as well as its plans for stakeholder consultation and impact assessment,
- Monitor the scheme annually and review it every three years.

### **Transgenderism and gender re-assignment**

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
