

For your information....

The FYI directory is a unique information resource for people and professionals across Blackpool, Fylde and Wyre.

It brings together information about a wide range of local health and council services, community clubs, social groups, wellbeing activities and events into one comprehensive source.

So if you're looking to find out about health services, Council family information services, want to find a new club or social group or if you just fancy trying something new and need some inspiration, the FYI directory is for you.

With nearly 3,000 groups listed across Blackpool, Fylde and Wyre there really is something for everyone in an easy to search online resource!

Activities, organisations, information and services at your fingertips

Accessible online at

www.fyidirectory.co.uk, the directory allows you to search for services nearest to you, based upon your interest or requirement.

A simple postcode search allows you to view information about the services you

want nearest to your home. This information includes, a description of what the service is, who can benefit from it, plus how and when you can access it, along with contact details for more information.

**VISIT
TODAY!**

A new, unique service directory for people and professionals across the Fylde Coast.

www.fyidirectory.co.uk

There are a number of unique features to the directory which make gathering the information you need as easy and simple as possible.

These include:

- A 'shopping basket' function - add multiple listings to a shortlist (just like a basket as you would if online shopping) which you can then print off together.
- Text messaging - send information listings direct to your mobile phone within seconds.
- A map view - view services on an interactive map thanks to integration with Google Maps.
