

## Autumn

The season is autumn

It is getting cooler

Can you see any signs of autumn?

### Key Vocabulary

Tall

Some leaves fall from the trees as the trees are having a rest in autumn. you will see lots of different coloured leaves.

Round

A pumpkin is a large, round orange fruit. Some people carve pumpkins in autumn time. Pumpkins are ready to be picked (harvested) in autumn.

Conkers

A conker is a seed from the horse chestnut tree. It is round, smooth and shiny. The shell is spiky and prickly!

Furry

A squirrel is an animal which lives in trees and is furry with a bushy tail. They eat nuts and seeds.

Cool

The weather can be cool and we need to wear our coats. It starts to get a bit chilly outside.

Harvest

Collecting the food that has been grown in the fields. It is usually done by farmers, At school we celebrate the Harvest festival at church and share our food with others.

Spiky

A hedgehog is a wild animal found in our gardens and parks. They have spikes on their back and are awake at night and sleep in the day.

Can you go on a walk and look for signs of autumn in the park or talk about the things you notice on the way to and from school?
