

Life Education is coming to our school on

Monday 11th and Tuesday 12th November 2019

Life Education Centres is a charity providing unique health and drug education programmes which teaches children about the wonder of their bodies, how to take care of them, and how drugs (including medicines, alcohol and tobacco) can affect them.

All our children will have an opportunity to take part in the programme, which is specifically designed for their age group. The aim is to encourage the children to think about all aspects of health, and make positive decisions about themselves.

The specially equipped mobile classroom provides a memorable experience for the children and assists our school in our health education work.

We are asking for a £3.00 donation towards the cost of the Life Bus.

We would also like to invite you to visit the Life Education mobile classroom, to find out even more about what your child will be doing and to ask any questions you may have.

The special session for parents and carers will take

place on: **Tuesday 12th November 8.50 to 9.10am**

I enclose a £3.00 donation towards the cost of the Life Bus.
