

IT IS A TIME TO REMEMBER
(To the tune of Slade's Merry Xmas Everybody)

Are you hanging up your stockings on the wall,
It's the time that every Santa has a ball.
But that's not all to Christmas,
It's more than party fun,
It's all about the birth of God's own son.

It is a time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on Earth.

In a manger Mary lays her newborn son.
A child that brings good news for everyone.
A child that's bound for glory,
And all the world will see,
He came this day to set the people free.

It is a time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on Earth.

What the Messiah brings us is a life of joy and peace and love, Ah-ha

Shepherds and the Wisemen from afar,
Sent by Holy Angels and a star.
He shows us all a new way,
To live a life that's right,
To step out from the darkness into light.

It is a time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on Earth.

It is the time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on earth.

It is a time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on earth.
It is a time to remember,
Our Lord and saviour's birth.
Look to the future and,
His time again on earth.

IT'S CHRISTMAS!
