

July 2021

Our last newsletter for this academic year.....Reception children have enjoyed visiting their new classroom and outdoor play area & have met their new teacher and teaching assistants. Y1 are visiting St Anne's Beach where they will make sand art and take part in other exciting activities. Y2 visited Fleetwood and studied Seaside Holidays as part of their Geography topic. Y3 visited the Clock Tower at Stanley Park & are championing the Clock Tower to be awarded a Blue Plaque, part of Heritage Blackpool. Watch this space! Y3 also walked around Blackpool identifying which buildings had already been awarded a Blue Plaque. The kite making workshops continued & proved to be very popular & will hopefully be making a return in the new school year. Y5 watched a virtual Rivers Workshop as part of their topic & then put into practice what they had learnt at Cuerden Valley. All year groups held their sports day & for once it didn't rain YAY. Mrs. Galloway & Miss Johnston listened to the children's prefect speeches ready for September, and as we say goodbye to our year 6's who are hopefully excited about starting high school, but sad to be leaving the St John's Family, we have planned an ice cream van to visit on Monday & their school disco will also be on Monday evening. As they say: **'That's all Folks'** until September!
