

This Half Term

Year 1 visited a Brilliant Birds Workshop at Fairhaven Lake. The children were eager to spot different types of birds, which was made fun with this enjoyable activity. A visit to Clitheroe Castle let Year 1 develop their knowledge on castles. Year 2 visited Ribby Hall's Wild Discovery Park, where they looked at many unique animals. This was very exciting for our Year 2's, as many of the animals could not be seen anywhere else! Year 3 had an excellent time at Blackpool Zoo, exploring and learning about a vast variety of animals. Year 4 took part in the Fit2Go Festival at Blackpool Football Club. This was a fun activity, which they were able to take part in with experts and their peers. During their fascinating river studies, Year 5 visited Cuerdon Valley to extend their knowledge rivers. Year 5 expanded their awareness of art by visiting the Grundy Art Gallery. At Grundy Art Gallery, many different styles of art can be seen, which they massively appreciated, as shown with their outstanding behaviour during the visit. Reception, Year 3 and Year 5 visited Stanley Park, Year 4 went to the rock gardens and Year 6 went to Stanah: all for their seasonal changes visit. Children loved learning about how seasons change and adapt, throughout the calendar year. BSYW came into school to teach the Year 4 students about the Diary of a Disciple and the Year 5's a detailed walkthrough of the Bible. New reception parents had their induction meeting, which allowed them to see how exciting primary school life is. This half term, each class visited the Central Library. Everyone seemed to thoroughly enjoy themselves, amazing work, our rock star readers!

St John's staff and governors wish all our St John's families a very happy 2 week break, let's hope we see some sunshine!
