THE CHURCH OF ENGLAND IN LANCASHIRE

We're counting down to Number Day 2024!

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 2nd February 2024.**

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why, the NSPCC is fighting for every child and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services like Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On the 2nd February we will be using fun curriculum-based maths challenges designed by the NSPCC and Oxford University Press. To help raise money for the NSPCC. The whole school will be taking part in ***Dress up for Digits*** and pupils will be invited to wear an item of clothing with a number or shape on it (football shirt, cap, netball shirt or even a **onesie!**). There will be a KS1 and a KS2 prize for the most unusual outfit. To help raise money for the NSPCC, we are asking for a **donation of 50p each** and we'd love everyone in the school to take part in this special event.

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at St John's will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.

Mr. Giles

Mrs Hulme

Assistant Head teacher

Maths Co Ordinator
