The Saints Out of School Club.

### **COMPLAINTS:**

At The Saints After School Club we aim to work in partnership with parents to deliver a high quality childcare service for everyone. If for any reason we fall short of this goal, we would like to be informed in order to amend our practices for the future. Our complaints policy is displayed on the premises at all times.

The supervisor is usually responsible for dealing with complaints. If the complaint is about the supervisor a senior member of staff will investigate the matter. Any complaints received about staff members will be recorded on an Incident log and a Complaints log will be completed.

Any complaints made will be dealt with in the following manner:

**Stage one** Complaints about aspects of Club activity:

- The manager will discuss the matter informally with the parent or carer concerned and aim to reach a satisfactory resolution.

Complaints about an individual staff member:

- If appropriate the parent will be encouraged to discuss the matter with staff concerned.
- If the parent feels that this is not appropriate, the matter will be discussed with the manager, who will then discuss the complaint with the staff member and try to reach a satisfactory resolution.

**Stage two**—If it is impossible to reach a satisfactory resolution to the complaint through informal discussion, the parent or carer should put their complaint in writing to the supervisor. The supervisor will:

- Acknowledge receipt of the letter within 7 days.
- Investigate the matter and notify the complainant of the outcome within 28 days
- Send a full response in writing, to all relevant parties, including details of any recommended changes to be made to the Club's practices or policies as a result of the complaint.
