Fundraising for activities and events in school

easyfundraising
.org.uk

As a school we are committed to providing pupils with the opportunity to take part in exciting, fun and educational activities and events. To help us do this we are asking you to support our 'Easy Fundraising' site which will enable us to raise funds to support these activities every time you shop online. ***It is quick, easy and will not cost you a penny!***

How it works

Easyfundraising.org.uk helps charities, schools and community groups to raise money when you shop online. To date over £10 million has been raised for good causes in the UK. It works in a similar way to Tesco ClubCard & Nectar, but instead of earning points when you place an order, it raises cash for your chosen cause.

You can shop with almost 3,000 well-known stores who will each donate up to 15% of what you spend. For example Amazon will donate up to 1.50%, M&S up to 6.25%, Debenhams up to 2.50% and ebay will donate up to 2.75%. Thousands of companies are participating with Easyfundraising, including holiday and travel companies, insurance providers and entertainment providers including Sky, National Trust, Ticket Master and Domino's.

The site also includes offers and deals so keep checking! It is so simple to use – you can even install the site on your tool bar so it reminds you when shopping online.

How to use 'easyfundraising'

Step 1: Visit www.easyfundraising.org.uk

Step 2: Type 'Blackpool St John's CE Primary School' into the "Support your cause" box

Step 3: Complete the login details (create a personal password)

Step 4: Click to accept the 'Find and Remind' icon for your toolbar. This will show as a small 'e' on your toolbar.

Step 5: Done! When you shop or make a booking on line click on the link ('e' on your toolbar) and choose your retailer and the website will do the rest. The website shows how our fundraising is progressing and you can even see how much you have raised!!

Thank you for continuing to support our school.
