Acceptable Use Agreement Policy – Foundation Stage

These rules will be shared with the children by the staff who work in the Foundation Stage unit. Children will be reminded of them when required. Rules will be on display by the computers so all staff/volunteers are aware of what the children are allowed to do and what rules to reinforce.

This is how we will stay safe when we use computers:

- I will ask an adult if I want to use the computer.
- I will only use activities that an adult has told or allowed me to use.
- I will take care of the computer and other equipment.
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell an adult if I see something that upsets me on the screen.
- I will tell an adult if I see someone else breaking the rules.
- I know that adults can check what I have been doing on the computer.
- I know that if I break these rules, I might be allowed to use a computer.
