

"Love one another as Jesus loved us" (John 13 v 34-35)

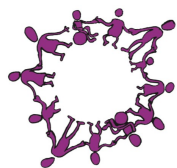

My name is Trevor Shanley and I've lived in Cliviger for many years. St John's has been at the heart of our family life, with all three of my daughters having attended the school and my wife spending several years supporting the school as a member and then as Chair of the school's CHSA. We've always felt incredibly grateful for the caring atmosphere and strong sense of belonging that St John's gives to its families.

I have been a governor since 2015, currently serving as the PE Governor. I really enjoy being involved in school life and working with staff and fellow governors to help the school continue to grow and flourish. St John's has given so much to my own children, and it means a lot to be able to give something back.

In my professional life, I work as a consultant advising owner managed SMEs on growth, strategy and clear decision making. Before that, I built and ran my own company from the age of 19, giving me many years of hands on commercial and leadership experience. I am also a long standing committee member at Fulfilled Colts FC, including four years as the club's Chairman, which strengthened my passion for community involvement and supporting young people.

It's a privilege to support a school that plays such an important role in our village and in the lives of the children who come through its doors.
