

## **"Love one another as Jesus loved us" (John 13 v 34-35)**

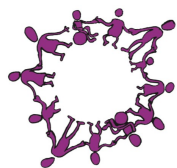

*Hello, my name is Clare Woodcock and I have been a Foundation Governor at Cliviger St John's since 2020. My link governor responsibilities include SEND/Inclusion and Pupil Premium.*

*Professionally, I am a SEND Consultant and Specialist Teacher. Before moving into consultancy work, I taught in schools across East Lancashire for 20 years. I now have the privilege of working in a wide variety of schools and enjoy seeing positive inclusive practice in action. This gives me a broad insight into what helps schools, staff and pupils thrive, and I am passionate about supporting schools to create opportunities for every child to succeed.*

*I became a governor at Cliviger because both of my boys attended the school, so I was already very much part of the Cliviger family. Although they have now moved on to secondary school, I have remained involved because I value the school's caring ethos and the important role it plays within the local community.*

*In my spare time, you will usually find me standing on the side of a football pitch watching my boys train or play. I am also a keen supporter of Burnley Football Club, and you can often find me in the Bob Lord Stand cheering on the Clarets!*
