

"Love one another as Jesus loved us" (John 13 v 34-35)

My name is Deborah Millington - I have proudly worked at St John's C.E (VA) Primary School, Cliviger for 20 years as a Higher Level Teaching Assistant (HLTA) and am delighted to step into the role of Support Staff Governor. My two decades of service are a testament to my deep loyalty, dedication, and determination to see our school succeed. In my day-to-day role, I absolutely love the challenge of covering all year groups, which has given me a unique ability to connect and communicate with children of all ages across the entire school. I am friendly, self-motivated, and always willing to help. Outside of work, I cherish family time: my husband and I love walking our dog, Charlie, and we are incredibly proud of our two children—our son, who is an apprentice engineer, and our daughter, who has followed in my footsteps and is now in her second year of teaching.

I am excited for this new challenge and look forward to supporting our school community in any way I can.
