

"Love one another as Jesus loved us" (John 13 v 34-35)

I'm Emily, mum of three and a paediatric nurse. I've worked with children and families for a number of years, so supporting children's well being and helping them feel happy and confident is something I really care about.

I became a parent governor because I wanted to be more involved in school life, get to know the wider school community and help make sure parents' views are represented.

Outside of work and family life, I love reading, singing, theatre and getting out and about with the children.
