Dear Parents/Guardians: As the year comes to an end, I would like to thank everyone for their commitment to our school and children. It really does make a difference and ensures that our children have the best possible start in life. Our best wishes to all the Y6 leavers as they go on to start at high school and to Mrs Owens who is retiring and Mr Spencer who leaves us to pursue a different career. We also lose a few families this year as Y6 leave and I would like to thank them for their support over the many years that they have had children at Cliviger. We do hope that you take with you many precious memories of your primary school years.

Hair bows should be no bigger than 10cm. It is at the Headteacher’s discretion whether a style or colour of hair is unacceptable. Hair should be cut no shorter than a number 2. Please be aware that if one child has an outrageous hairdo, then many others want the same thing. Please don’t send your children to school with outrageous hairstyles.

Children should not bring unnecessarily large bags to school as there is not the space to store them.

‘Please put your child’s name in everything!’

We expect children to present themselves smartly and require staff to do likewise. Certain hairstyles and colours are not considered appropriate for school and can bring unwanted attention to children and disrupt learning.

Free School Meals – Who is Entitled?

Important Information for Families.

Firstly, if your child is already receiving Free School Meals and is in Years 3–11, there is nothing you need to do. The Local Authority already holds your information and will automatically check your child's eligibility ahead of their return to school in September 2026.

If your child is in Key Stage 1 (Reception to Year 2), they will already have been receiving a free school meal through the universal infant scheme. If you have previously completed a Free School Meal application, so that your child's school can access additional funding, your eligibility will also be automatically checked—so again, you do not need to take any action. If your child has not been receiving a free school meal and you believe your they may be eligible, please read the information below.

From September 2026, the Government is extending eligibility for Free School Meals. This means that more families may now qualify for support, even if they have not previously been eligible.

What this means for you?

- If your household income is lower, your child may now be entitled to free school meals at school
- Schools receive additional funding (known as Pupil Premium) for every eligible child, which is used to support learning, resources and enrichment opportunities
- Even if your child prefers a packed lunch, applying can still bring valuable benefits to both your child and the school

What you need to do?

- If you think you may now be eligible, we strongly encourage you to submit an application before the start of the academic year.
- Applications are quick, confidential and securely processed
- If your child is already receiving Free School Meals, you **do not need to reapply**

Why it's important to apply?

- Ensures your child receives all the support they are entitled to
- Helps the school access additional funding to support pupils
- May provide access to further support, such as help with trips or activities

If you would like further information or support with your application, please contact the school office.

We encourage all families to take a few minutes to check their eligibility – this support can make a real difference.

September reminders

Y1-Y6 need to bring their own water bottles in.
CHSA will provide the first water bottle for EYFS.

School meals will be £2.90 per day.
EYFS, Y1 and Y2 have free dinners.

Playtime Snacks

Please remember that in September the children are allowed to bring a healthy snack only. No chocolate, crisps, sweets etc

Peanuts Reminder

We have children in school who have a severe peanut allergy. For this reason, I am asking that **no peanuts** are brought into school in packed lunches or for snacks. This also **includes any foods which contain traces of peanuts.** I know that this is hard to 'police' but we must all endeavour to try.

What does my child need for their new class in September?

- Children do not need pencil cases in school. We will provide all the writing equipment needed.
- A water bottle
- A coat – even on hot days. The weather in Cliviger is very changeable!
- Reading bags (blue) bring into school for books to be changed every Tuesday and Thursday.
- PE kits on PE days should be: -
 1. Black/Navy shorts or joggers
 2. White t-shirt – plain
 3. White socks
 4. Trainers
 5. School jumper

PE kits should be plain with no logos on them.
