

## English

# Year 6 Newsletter Summer 2026

## Maths

During our first half term we will be using the text '1000 Year Old Boy'. We will be using this text as inspiration for our own independent writing. After that, we will use the text 'Tales from Arabian Nights' to support us within our history topic.

During our maths lessons we will be initially focusing on revising all of the maths topics from the year. We will then apply our maths knowledge and skills to different projects.

## Adventurous Afternoons

Science – we will be completing the topics of animals including humans and light.

Geography - I'm a Year 6 get me out of here.

History – Why was the Islamic civilisation known as the Golden Age?

Art – sculpture and 3D making memories.

Design Technology – Mechanical systems: Automata Toys

ICT – during our ICT lessons we will be creating quizzes and binary.

Music – we will be creating and developing our leavers assembly.

MFL – within our french lessons our topics will be 'Le Sport' and 'On Va Faire le fete'.

PSHE – our PSHE lessons are really important as we learn about health education and living in the wider world.
