

# QUICK COMPS - BLUE CREATURE

Jakeem was on a walk in the woods with his older brother. They were chatting about games and TV shows when all of a sudden Jakeem saw a small creature dart behind a tree.

“Did you see that?” he whispered.

The pair stopped and watched.

The creature crept slowly around the tree. It looked like a squirrel but had blue fur. There were long antennae on its head. Its eyes were large and yellow. It stared at them both. Jakeem had never seen anything like it. He took a step forward and a branch snapped beneath his foot. This made the creature scamper up a tree at great speed. Then it disappeared into the leaves and out of sight.
