

Within our english lessons this term we will be reading the book Trash. It is a book that links with our adventurous afternoons curriculum and gives us lots of insight into children’s lives in Brazil. We will also be focusing a lot on spelling rules and implementing grammar concepts into our writing. We look forward to writing our own adventurous tales.

Adventurous Afternoons

- Science – We will be completing the topic of living things and their habitats before focusing much more specifically on the Atlantic Ocean as a habitat.
- Geography - In geography we will be looking at Brazil. We will learn about economy in Brazil and how it is growing so quickly.
- History – Our topic for history this term will be the Mayas.
- Art – We will be completing an artist study and will be using different artists styles to develop our own artwork.
- Design Technology – We will be creating playgrounds using our technical knowledge of structures.
- ICT – During our ICT lessons we will be developing our knowledge of coding and blogging.
- Music – We will be focusing on the skill of performance in preparation for our Christmas performance.
- MFL – Within our french lessons our topics will be ‘Le Weekend’ and ‘Les Vetements’.
- PSHE – Our PSHE lessons will be really important this year as we encounter a lot of change. Firstly we will be focusing on caring friendships and respectful relationships before thinking about our physical and mental health.

PE

PE is really important in year 6 as we begin to lead other classes in activities too! This term we will be taking part in invasion games (netball); outdoor and adventurous activities; gymnastics and acrodance.

Maths

During our maths lessons we will be following the White Rose curriculum and will be focusing on our fluency and reasoning. We will be competing the topics of place value, addition, subtraction, division and multiplication.

Things to look forward to this half term

- The Christmas play
- Y6 sleepover
- Walk to Towneley
