## **Protect your child against flu - Five reasons for your child to have the flu vaccine**

- 1. Protect your child** - The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
- 2. Protect you, your family and friends** - Vaccinating your child will help protect more vulnerable friends and family.
- 3. No injection needed** - The nasal spray is painless and easy to have.
- 4. It's better than having flu** - The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record.
- 5. Avoid costs** - If your child gets flu, you may have to take time off work or arrange alternative childcare.

**Your child will not receive this vaccine without a valid consent form.**
