

A WORD FROM LISA BYRON, HEADTEACHER

This week marks the end of our GCSE exams, and on Monday we celebrate our Year 11 students in our annual Celebration Day. This is a chance for us to say an official 'goodbye' or 'goodbye for now' to them and celebrate their hard work, dedication and fantastic achievements over the past five years at St John's. We are incredibly proud of the young people they have grown up to be and of the resilience and determination they have shown through some incredibly challenging times in their school career. We wish them all lots of luck in their exciting next steps, whether that be returning to us in Sixth Form, going to college or starting an apprenticeship. As this chapter of their life comes to an end, we know that their stories are only just beginning and we are so proud that St John's has been a part of that. Good luck, Year 11 and fly high!

Every story has an end
but in life every ending is
just a new beginning

LAST WEEK'S EVENTS

On Thursday, we welcomed Joe Plumb into school to talk to Year 10 about the Peru Mission and the work he has done alongside St John's staff and students in the past to help such vulnerable families. Well done to Year 10 for their engagement.

Over the weekend, our Year 12 Gold Duke of Edinburgh students were in Swaledale for their practice expedition before their final in the Lake District in July. We hope they had a wonderful weekend and wish them luck for their final expedition next month.

On Friday, over 60 St John's students competed in the very First BHCET Athletics Event at Middlesbrough Sports Village. There were some excellent performances, including the Under-13 girls who came 3rd overall and the Under-15 boys who also came 3rd. Especially well done to the students in Year 7 and Year 9 who were competing a year up and to Joel Wright who won an impressive three medals. Well done!

On Wednesday, members of our Student Leadership Team took part in a creative workshop alongside Durham University to work on the development of a new support book for young people. Well done to our students who made great contributions and were excellent ambassadors.

FOCUS ON...

Next Thursday is National Thank a Teacher Day, a day where we celebrate the hard work, passion and dedication of our teachers. Look out for more details on how you can get involved with thanking your teachers next week. Well done to Dr Mulligan, Mrs Rose, Miss Charlton and Miss Hayes who all received nominations and a sweet treat last week for their dedication to their job. Drop us an email at iheardawhisper@stjohns.bhcet.org.uk.

I Heard a Whisper...

Has a member of staff at St John's gone above and beyond in their role or gone out of their way to help or support?

Please email iheardawhisper@stjohns.bhcet.org.uk to notify us of the staff who you think deserve a special shout out and a sweet treat.

Each week we will share a selection and celebrate those members of staff.
