

ST JOHN'S WEEKLY NEWS

A Learning Community guided by Gospel Values

2 JUNE 2025

WEEK A

We had a wonderful evening celebrating our fabulous Year 13 students at their Sixth Form BBQ before half term. We are so proud of these incredible young people and know they will continue to soar through their exams and next steps.

On our final Friday we celebrated Cuthbert House receiving the most House points last term from a combination of combined ClassCharts points and PE competition points. All students in Cuthbert received an ice cream, along with all of Year 11 and Year 13 students who were in school as a reward for their hard work in their exams so far. It was a lovely way to end the term and celebrate our students and their achievements.

A huge well done to our Year 10 students who completed their Work Experience in the week before half term. We have had some fantastic feedback on how well our students engaged with their placements and are so proud of their commitment, behaviour and self-belief, as well as their professionalism and resilience. Thank you to all of the businesses and companies that hosted our students, without whom our Work Experience weeks could not take place. We are very grateful for the fantastic opportunities our students have had.

We are so proud of some of our current and former Sixth Form students who last month headed to Buckingham Palace to collect their Gold Duke of Edinburgh certificates- a fitting location for such an incredible achievement. We currently have 23 students in Year 12 working towards their Gold Award, the highest number of participants we have ever had and testament to our fantastic culture of engagement in enrichment and extra-curricular opportunities in Sixth Form.

COMING UP THIS WEEK

Monday 2 June- We continue to keep our Year 11 and Year 13 students in our thoughts and prayers as exams continue.

Monday 2 June- Year 12 Work Experience. We wish our Year 12 students lots of luck as they begin their Work Experience week. We know they will find the experience informative and enjoyable.

Wednesday 4 June- Frozen rehearsals are for all cast on Wednesday until 5pm and for all principal characters and Lead Ensemble on Thursday until 4.30pm. As we get closer to the show it is important all cast members attend all rehearsals where they are needed. Rehearsal schedules are available from Mrs Rose. Tickets are still available but are selling incredibly quickly, with only 50 available for each night. Tickets are available via

A WORD FROM LISA BYRON, HEADTEACHER

Despite lasting only four weeks, last half term was filled with incredible events, opportunities and achievements. It was therefore wonderful to be able to celebrate so many successes in style in the final week, and this week's newsletter gives a flavour of those celebrations.

As we head into our final half term, it is difficult to comprehend how quickly the past nine months have gone, but equally amazing to reflect on how much progress has been made and how many successes we have had to shout about. I have no doubt that the next seven weeks will be bursting with just as much brilliance as we celebrate events such as our Virtue Awards, Year 11 Leavers' Celebrations, Frozen the Musical, Sports Day and our Year 6 Induction Days. We look forward to sharing all of this and more with you in the coming weeks.
