Statement of intent

The school believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life including our own personal behaviours.

“Let the peace of Christ rule in your hearts, remembering that as members of the same body you are called to live in harmony, and never forget to be thankful for what God has done for you”.

(Colossians 3:15-16)

Our Values:

- **BEING** just and compassionate
- **DEVELOPING** confidence and resilience in our students
- **SHOWING** respect for every person
- **CREATING** a community where we accept responsibility for ourselves and for others
- **BEING** honest and developing a culture of self-belief and value

Staff must demonstrate their own adherence to our underlying values by the way they promote good behaviour and in their responses to students. In exercising their professional duties, staff must be honest, fair and just. Setting a good example will result in students feeling happy, secure, wanted and valued. The policy aims to:

- promote good behaviour, self-discipline and respect through a consistent approach
- prevent bullying – see Anti-Harassment and Bullying Policy
- ensure that students complete assigned work
- shape character and promote virtues
- regulate, as appropriate, the conduct of pupils
- keep children safe - see Safeguarding Policy

The school is committed to:

- Children having a right to attend school in safety and to learn without disruption.
- Teachers have a right to work in an environment that allows them to use their skills to the full for the benefit of all their students. The quality of learning, teaching and behaviour are inseparable issues and are the responsibility of all staff.
- Students being disrespectful should never be tolerated; students should show respect to staff at all times and in turn, staff should be sensitive to the needs of students. In keeping with the ethos of the school, it is expected that all **staff and students are courteous and respectful at all times.**

- Recognitions and awards are more effective than punishment in motivating students. Good behaviour and achievement must be recognised – see the Recognising and Rewarding Good Behaviour section.
- Challenging and disciplining misbehaviour.
- Discipline should be constructive in nature and staff attitudes must be consistent.
- Discipline works best when enforced immediately. Standards must be met and appropriate referrals made. A clear and consistent code of conduct is necessary for all students and should ensure that the small minority of disruptors are aware of the rules/expectations and sanctions that can be imposed.
- Parental engagement is crucial and the support of parents essential for the maintenance of good behaviour.
- Students with behavioural issues will be supported through the pastoral system
- The school acknowledges its legal duties under the Equality Act 2010, in respect of safeguarding and in respect of pupils with Special Educational Needs and/or Disabilities.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support to prevent recurring misbehaviour.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health, the school aims to create a safe and calm environment in which positive mental health and wellbeing are promoted, and pupils are taught to be resilient. The school aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

[Updated] Sexual abuse and discrimination

The school operates a **zero-tolerance** approach to all forms of sexual discrimination including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling peer-on-peer sexual abuse and discrimination are detailed in the Safeguarding Children / Child Protection Policy.

Types of conduct that are prohibited in the school and may constitute sexual harassment under this policy include, but are not limited to, the following:

- Unwelcome sexual flirtations or propositions, invitations or requests for sexual activity
- Sexual comments, such as telling sexual stories, making lewd comments or sexual remarks about clothing and appearance, and calling someone sexualised names
- Sexual “jokes” or taunting, threats, verbal abuse, derogatory comments or sexually degrading descriptions
- Displaying pictures, photos or drawings of a sexual nature
- Online sexual harassment. This may be standalone, or part of a wider pattern of sexual harassment and/or sexual violence.
- Unwelcome communication that is sexually suggestive, degrading or implies sexual intentions, including written, verbal, online etc.
- Physical behaviour, such as deliberately brushing against, grabbing, massaging or stroking an individual's body
- Taking, displaying, or pressuring individuals into taking photos of a sexual nature
- Exposing, or causing exposure of, underclothing, genitalia, or other body parts that are normally covered by an individual, through means including, but not limited to, mooning, streaking, “upskirting”, “down blousing”, or flashing

 - Accessing, downloading or uploading pornography
 - Sharing pornography via the internet, email or mobile phones
 - Creating or maintaining websites with sexual content
 - Participating in sexual discussions through email, chat rooms, instant messaging, social media, mobile phone or tablet apps, or any other form of electronic communication

Punishments for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previously related incidents.

The school will address the effects of harassment and will signpost counselling/support services if the harassment has affected performance or well-being.

[New] Behaviour Incidents Online

The way in which pupils relate to one another online can have a significant impact on the culture at school. Negative interactions online can damage the school's culture and can lead to school feeling like an unsafe place. Behaviour issues online can be very difficult to manage given issues of anonymity, and online incidents occur both on and off the school premises. The school is clear that even though the online space differs in many ways, the same standards of behaviour are expected online as apply offline, and that everyone should be treated with kindness, respect and dignity.

Inappropriate online behaviour including bullying, the use of inappropriate language, the soliciting and sharing of nude or semi-nude images and videos and sexual harassment will be addressed in accordance with the same principles as offline behaviour, including following the child protection policy and speaking to the designated safeguarding lead (or deputy) when an incident raises a safeguarding concern. In cases where the school suspects a pupil of criminal behaviour online, we will follow the guidance below on suspected criminal behaviour [here](#). This could lead to the incident being referred to both the Police and Children's social care.

When an incident involves nude or semi-nude images and/or videos, the incident will be referred to the designated safeguarding lead (or deputy) as the most appropriate person to advise on the school's response. Handling such reports or concerns can be especially complicated and the school will follow the principles as set out in Keeping children safe in education. The UK Council for Internet Safety also provides the following guidance to support school staff and designated safeguarding leads: [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#).

Many online behaviour incidents amongst young people occur outside the school day and off the school premises. Parents are responsible for this behaviour. However, often incidents that occur online will affect the school culture. The school therefore may sanction pupils when their behaviour online poses a threat or causes harm to another pupil, and/or could have repercussions for the orderly running of the school, when the pupil is identifiable as a member of the school or if the behaviour could adversely affect the reputation of the school.

Student conduct and behaviour expectations

The school has an established a set of clear, comprehensive and enforceable rules which define what is acceptable behaviour and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. "act respectfully towards your peers and teachers", rather than "do not act disrespectfully towards your peers and teachers".

The school also has an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all

pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The Headteacher ensures all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers support pupils to understand and follow classroom rules and routines. Teachers inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

Aims

It is a primary aim of St John the Evangelist that every member of the school community feels valued and respected, and that each person is treated fairly and well. We are a caring community, whose values are built on mutual trust and respect for all. The school behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, safe and secure.

St John the Evangelist has a number of school rules, but the primary aim of the behaviour policy is not a system to enforce rules. It is a means of promoting good relationships, so that people can work together with the common purpose of helping everyone to learn. This policy supports the school community in aiming to allow everyone to work together in an effective and considerate way.

The school expects every member of the school community to behave in a considerate way towards others. We treat all children fairly and apply this behaviour policy in a consistent way. Our school mission statement is central to our work in school: ***‘Little children, we should love not in word or with tongue but in deed and truth.’ 1 John 3:18***

“Let the peace of Christ rule in your hearts, remembering that as members of the same body you are called to live in harmony, and never forget to be thankful for what God has done for you”.

(Colossians 3:15-16)

Our Values:

- **BEING** just and compassionate
- **DEVELOPING** confidence and resilience in our pupils
- **SHOWING** respect for every person
- **CREATING** a community where we accept responsibility for ourselves and for others
- **BEING** honest and developing a culture of self-belief and value

The children demonstrate these values by showing that they are:

Ready, Respectful, Safe

This policy aims to help children to grow in a safe and secure environment, and to become positive, responsible, and increasingly independent members of the school community. St John the Evangelist rewards good behaviour, as we believe that this will develop an ethos of kindness and co-operation.

Learning and Teaching

There is a very strong relationship between behaviour and learning; children learn better in an ordered and positive environment. Equally, children who are stimulated and engaged in their learning through high quality, effective teaching, and children who have their progress and achievements recognised will feel valued and motivated to achieve more.

Within our curriculum and in class activities, including circle time, we teach children:

- responsible behaviour and that their feelings and reactions can be affected by what is happening within and around individuals
- relationships with others and that friendships, caring and respect for self and others are important in maintaining positive relationships
- responsible citizenship, including opportunities to discuss issues and views and influence positive change in the school.

Behaviour out of school premises

This school is committed to ensuring our students act as positive ambassadors. The same behaviour expectations for students on school premises apply to off-site behaviour.

Therefore, we expect the following:

- Good order on all transport (including public transport) to and from school during educational visits
- Good behaviour on the way to and from school. In the event of poor behaviour reported on school buses, the school, and in some cases the School /LA, has the right to withdraw travel passes
- Positive behaviour which does not threaten the health, safety or welfare of our pupils, staff, volunteers or members of the public.
- Reassurance to members of the public about school care and control over pupils in order to protect the reputation of the school.

Incidents off-site

Under the Education and Inspections Act (2006), the school has the power to sanction pupils for misbehaviour beyond the school premises to such an extent as is reasonable. This includes misbehaviour:

- on activities arranged by the school such as work experience, educational and sporting events
- on the way to and from school (including on the buses)

- when wearing the school uniform in a public place or they are in any way identifiable as a student of the school
- which could have repercussions for the orderly running of the school
- poses a threat to another student or member of the public
- which could adversely affect the reputation of the school

In response to poor behaviour or bullying which occurs off site, witnessed by a staff member or reported to the school, the school will investigate the incident, communicate with parents and discipline students accordingly.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Incidents involving technology (e.g. mobile phones/chat rooms/internet sites)

Mobile phones must **not** be used inside the building. If a student is seen using his/her phone inside, without direct permission from a member of staff, the phone will be confiscated and should be collected at the end of the school day. Regarding any suspicions relating to illegal content or sexual imagery, the phone will be confiscated and may be handed over to the police for investigation.

Any pupils walking home who require a mobile phone to confirm their location to parents/caregivers must hand the phone (switched off), into the school office at the beginning of the school day where it will be kept in a secure location. The phone can be collected by the student at the end of the school day.

The use of defamatory or intimidating messages/images inside or outside of the school will not be tolerated. Disciplinary sanctions will be applied to perpetrators. As per our Use of Photographic and Video Images of Children Policy photography or filming will only take place with the permission of the Headteacher and under the supervision of a member of staff.

Disciplinary action against students found to have made malicious accusations against staff and other adults working in the school

In order to fulfil its commitment to the welfare of children, this School has a procedure for dealing with allegations of abuse against members of staff and volunteers.

The procedure aims to ensure that all allegations are dealt with fairly, consistently and quickly and in a way that provides protection for the child, whilst supporting the person who is the subject of the allegation.

If a member of staff does not wish to report an allegation directly, or they have a general concern about malpractice within the school, reference can also be made to the Whistleblowing Policy.

The procedure complies with the framework for managing cases of allegations of abuse against people who work with children, as set out in the Safeguarding/Child Protection Policy.

In the event that an allegation is shown to have been deliberately invented or malicious, the Headteacher will consider whether any disciplinary action is appropriate against the pupil who made it, or, if appropriate, the police will be asked to consider whether any action might be appropriate against the person responsible, including situations where the individual concerned was not a pupil. Such cases may be dealt with under the Protection from Harassment Act 1997.

The disciplinary action taken against a pupil may include fixed term or permanent exclusion. Whatever action is taken will be discussed with the parent / carer of the pupil concerned at an early stage and made in consultation and agreement with the Local Governing Committee and Directors of Bishop Hogarth Catholic Education Trust.

Any student found to have made malicious accusations against staff may be considered for a permanent exclusion. Any cases which arise will be investigated thoroughly and will be treated on an individual case basis.

Staff accused of misconduct will receive appropriate pastoral support.

Recognising and rewarding good behaviour

The school recognises that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.

- **Fair** – making sure all pupils are fairly rewarded.

‘Catching them being good’

Praise is a much more powerful tool than sanctions and is much more in keeping with the ethos of the school. Therefore, frequent use of encouraging language and gestures, both in lessons and around the school is to be encouraged so that positive behaviour is instantly recognised and positively rewarded.

Rewards

We praise and reward children for good behaviour in a variety of ways:

- teachers congratulate children
- teachers give children Dojo points
- each week we nominate a child from each class for a ‘star of the week’ award and receive their certificate in celebration assembly. These are given to children either for consistent good work or behaviour, or to acknowledge outstanding effort or acts of kindness in school.
- children nominate each other to receive one of our school virtues awards which are given out in celebration assembly.
- children have the opportunity to share examples of their effort and success with the headteacher each Wednesday. We call this, ‘Wow Wednesday’.
- Our celebration assembly acknowledges all the efforts and achievements of children, both in and out of school.

Sanctions and interventions

Systems and procedures

It is important that all staff ensure that standards are maintained and are **consistent**. Instances of misbehaviour must be dealt with by the teacher present at the time of the incident and should take into consideration the context of the incident and the circumstances of the child. Where examples are mentioned, it is important to remember that they are not exhaustive lists.

Sanctions are more likely to promote positive behaviour if the students see them as fair. Staff should be clear, therefore, that they:

- are dealing with the behaviour and not stigmatising the students
- impose sanctions fairly and consistently
- use sanctions to help the student and others to learn from mistakes and recognise how they can improve their behaviour
- attempt to link the concept of sanctions to the concept of choice, so that the students see the connection between their own behaviour and its impact on themselves and others and so increasingly take responsibility for their own behaviour (self-regulation)
- avoid whole group sanctions that punish the innocent as well as the guiltily

- never issue a sanction which is humiliating or degrading or involves corporal punishment

The school will consider the imposing of sanctions on an individual case basis, will always act **lawfully, reasonably and proportionately in relation to the misbehaviour identified, the students' age and any specific SEND or religious requirements** and, whilst not an exhaustive list, will draw from a range of strategies including:

Sanctions and Consequences

We employ a number of sanctions to enforce the school rules, and to ensure a safe and positive learning environment.

We employ each sanction appropriately to each individual situation:

- We expect children to listen carefully to instructions in lessons. If they do not do so, we ask them either to move to a place nearer the teacher, or to sit on their own, away from distraction.
- We expect children to try their best in all activities. If they do not do so, we may ask them to redo a task.
- Occasionally, children may be asked to stay in at break times or lunch times to complete or redo a task.
- If a child is disrupting the learning of their peers, they may have their seat moved, or work away from others until they are in a position to work sensibly again.
- The safety of the children is paramount in all situations. If a child's behaviour endangers the safety of others, the class teacher stops the activity and prevents the child from taking part for the rest of that session.

The class teacher discusses the school and rules with each class. In addition to the school rules, each class also has its own classroom code, which is agreed by the children and displayed on the wall of the classroom. In this way, every child in the school knows the standard of behaviour that we expect in our school.

If there are incidents of antisocial behaviour, the class teacher discusses these with the whole class during PSHE lessons.

St John the Evangelist does not tolerate bullying of any kind. If we discover that an act of bullying or intimidation has taken place, we act immediately to stop any further occurrences of such behaviour. While it is very difficult to eradicate bullying, we do everything in our power to ensure that all children attend school free from fear.

Consequences System

The children understand that there will be consequences if they do not abide by the Behaviour Expectations. The word consequence must be explained and used when dealing with any incident.

There must be a firm and consistent approach to all of the stages below:

Stage 1: Verbal reminder of the expected behaviour/ school rule 'I'm reminding you of our Behaviour expectations (refer to specific area). You need to make the right choice.'

Stage 2: Verbal warning given to the child. 'You've had your reminder, this is your warning...' Choice presented to child – 'If you choose to / not to..... then there will be a further consequence.'

Stage 3: Consequence given: 'You have had your reminder and your warning. Now you have to accept the consequence.'

- A variety of forms of detention (e.g. break and lunchtimes.) It should be noted that Parental consent is not required for detention. This should be in one classroom for all pupils receiving this consequence.
- Catch-up sessions break and/or lunchtime
- Withholding participation in a school event/trip/sporting activity
- Withdrawal of break or lunchtime privileges
- Carrying out a community/useful task in the School
- 10 minutes time out in another class (this should be one of the phase leads)/ dining hall. 14
- Repeated incidents or reaching stage 3 regularly will be reported to parents at the end of the day or as soon as possible, either in person, phone call or via class dojo. Headteacher informed at this stage.

In Early Years, visual symbols may be used to help the child understand the stages.

This is used in Year 1 accompanied by the words reminder/ warning/consequence.

Stage 4: If behaviour escalates or continues, pupil sent to speak to headteacher/ deputy head. If a child persists in making poor behaviour choices relevant school staff will work closely with the pupil and parent/carer to resolve the inappropriate behaviour.

A variety of options will be considered:

- A review will be taken to identify if there are unidentified learning/special needs.
- The class teacher will meet with pupil and parent/carer to discuss concerns. A target will be agreed and reviewed daily/weekly.
- Multi agency assessment
- The pupil and parent/carer will attend a behaviour meeting (if applicable).
- A Home-School book may be set up to record behaviour on a daily basis.
- An internal exclusion may be imposed removing the child from the classroom and peers (parent/carer will be informed).

Where there is no improvement in behaviour, the Headteacher may impose a period of exclusion from school (see Exclusions Policy). As the school has a very strong commitment to inclusion every effort will be made to bring about an improvement in pupil's behaviour before this stage is reached and parents/carers will be invited into school to discuss the situation.

All members of staff are aware of the regulations regarding the use of force by teachers, as set out in DfEE Circular 10/98, relating to section 550A of the Education Act 1996: The Use of Force to Control or Restrain Pupils. Staff only intervene physically to restrain children or to prevent injury to a child, or if a child is in danger of hurting him/herself. The actions that we take are in line with government guidelines on the restraint of children.

The school is therefore able to issue detention as a sanction without first notifying the parents of the pupil, including for same-day detentions. Consideration will need to be given:

- Whether the detention is likely to put the pupil at increased risk.
 - Whether the pupil has known caring responsibilities
 - Whether the detention timing conflicts with a medical appointment
 - Whether the parents ought to be informed of the detention – in most cases it will be necessary to do so, but it may not be if the detention is for a short period after school and the pupil is able to return home safely.
 - Whether suitable travel arrangements can reasonably be made by the parent for the pupil; it does not matter whether these transport arrangements are inconvenient for the parent.
- **Permanent exclusion** – see also DfE guidance

Permanent exclusions will be considered for:

- Physical assault (against a pupil or adult) including fighting, violent behaviour, wounding, obstruction and jostling)
- Verbal abuse/threatening behaviour (against a pupil or adult) including threatening violence, aggressive behaviour, swearing, homophobic abuse and harassment, verbal intimidation, carrying an offensive weapon
- Serious bullying including verbal, physical, cyber/online, homophobic, racist, peer on peer
- Racist abuse including racist taunting, derogatory racist statements, swearing that can be attributed to racist characteristics, racist bullying, racist graffiti
- Sexual misconduct including sexual abuse, sexual assault, sexual harassment
- Drug and alcohol related incidents including possession of illegal drugs, inappropriate use of prescribed drugs, drug dealing
- Deliberate damage including to school or personal property belonging to any member of the school community, vandalism, arson, graffiti
- Theft including stealing school property, personal property, from local shops or on a school visit, selling and dealing in stolen property
- Carrying an offensive weapon
- Persistent disruptive behaviour including repeated challenging behaviour, defiance, persistent violation of school rules, truancy
- One-off serious incidents not covered by the categories above.
- Wilful and repeated transgression of public health measures
- Inappropriate use of social media or technology
- Abuse relating to a disability
- Abuse against a sexual orientation or gender identity
- Use or threat of use of an offensive weapon or prohibited item

Preventative measures to school exclusion

Off-site direction

An off-site direction is when a school requires a child to attend another education setting to improve their behaviour where previous interventions or targeted support have not been successful in improving a pupil's behaviour. An off-site direction should be used to arrange time-limited placements at an Alternative Provision (AP) or another mainstream school. During the off-site direction to another school, pupils must be dual registered.

Depending on the individual needs and circumstances of the pupil, off-site direction into AP can be full-time or a combination of part-time support in AP and continued mainstream education. A proposed maximum period of time should be discussed and agreed upon as part of the planning phase for an off-site direction. As part of planning, alternative options should be considered once the time limit has been reached, including a managed move on a permanent basis (if a pupil is in a mainstream school) upon review of the time-limited placement. The school will have regard to the following guidance when making an off-site direction: [https://assets.publishing.service.gov.uk/media/67a1ee367da1f1ac64e5fe2c/Arranging Alternative Provision - A Guide for Local Authorities and Schools.pdf](https://assets.publishing.service.gov.uk/media/67a1ee367da1f1ac64e5fe2c/Arranging_Alternative_Provision_-_A_Guide_for_Local_Authorities_and_Schools.pdf)

Managed moves

A managed move is used to initiate a process which leads to the transfer of a pupil to another mainstream school permanently. Managed moves must be voluntary and agreed with all parties involved, including the parents and the admission authority of the new school. If a temporary move needs to occur to improve a pupil's behaviour, then off-site direction should be used. Managed moves should only occur when it is in the pupil's best interests and should be offered as part of a planned intervention.

Where a pupil has an EHC plan, the relevant statutory duties on the new school and local authority will apply. If the school is contemplating a managed move, we will contact the authority prior to the managed move. If the local authority, both schools and parents are in agreement that there should be a managed move, the local authority will follow the statutory procedures for amending a plan.

Managed moves will only be offered as part of a planned intervention where appropriate initial intervention had been carried out, including, where relevant, multi-agency support, or any statutory assessments were done or explored prior to a managed move.

The managed move will be preceded by information sharing between with the new school, including data on prior and current attainment, academic potential, a risk assessment and advice on effective risk management strategies. It is also important for the new school to ensure that the pupil is provided with an effective integration strategy.

Reintegration

The school will ensure that pupils are appropriately reintegrated following their removal from the classroom, time spent in a pupil support unit, in another setting under off-site direction or following suspension. This may involve reintegration meetings between the school, pupils, parents and, if relevant, other agencies. The school will consider what support is needed to help the pupil return to mainstream education and meet the expected standards of behaviour.

Searching, Screening and Confiscation

The school reserves the right to confiscate, retain or dispose of a student's property i.e. an item which poses a threat to others/an item which poses a threat to good order for learning/an item against the College's uniform rules/an item which poses a health or safety threat/illegal items. It also has the power to search without consent for where it has reasonable grounds for suspecting that the student may have a prohibited item items including (not an exhaustive list):

- Knives and weapons

- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that has been or is likely to be used to commit an offence, caused personal injury or damage to property
- Any item banned by college rules such as chewing gum, aerosol sprays, e-cigarettes, energy drinks.
- Mobile phone or electronic device
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

Any search of a student will comply with the Department for Education's *Searching, Screening and Confiscation Guidance (July 2022)*. This guidance provides advice on the use of strip searches on college premises by the police.

Where a search is carried out the school will have two members of staff to carry out said search if they believe that the student has something in their possession that is potentially harmful (physically or mentally) to themselves or others. - **Please note:** In line with the Drug and Alcohol Policy, pupils' possessions will only be searched in the presence of the pupil and another member of staff, unless there is an immediate risk of serious harm and it is not practicable to summon another member of staff. Searches will be carried out by a same-sex member of staff with another same-sex member as a witness, unless urgent circumstances make this impracticable.

Records of confiscated items and searches for a prohibited item will be kept. All confiscated items will be stored safely and returned to the student and or parent as appropriate – normally at the end of the school day. However, illegal items will be handed over to the police. Staff cannot be held liable for the loss of confiscated items. Records of searches will include:

- the date, time and location of the search;
- which pupil was searched;
- who conducted the search and any other adults or pupils present;
- what was being searched for;
- the reason for searching;
- what items, if any, were found; and,
- what follow-up action was taken as a consequence of the search

Interventions

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT, and pastoral staff are aware of any pupil that is:

- Persistently misbehaving
- Not improving their behaviour following low-level sanctions
- Displaying a sudden change in behaviour from previous patterns of behaviour

Examples of initial Interventions to help get a student back on track include but are not limited to the following:

- Restorative approaches
- Named member of staff as point of contact
- Access to school-based Nurture programmes
 - Referral to the Emotional Resilience Team (NHS)
- Referral to the Mental Health/Well-being Trailblazer
- LA Graduated responses (e.g. reduced/personalised timetable)
- Personalised support programmes (e.g. anger management/self-esteem/resilience)
- One to one mentoring sessions
- Multi-agency working (e.g. Help and Support)
- Engaging with parents
 - Access to school nurture provision and wellbeing lead
 - Access to school funded CBT sessions with Sunflower Cognitive Therapies

Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as an early help assessment, that goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

Removal from the classroom

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff. The pupil will be moved to a room that is:

- In an appropriate area of the school
- Stocked with appropriate resources
- Suitable to learn and refocus
- Supervised by trained members of staff

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption

- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom for any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The Headteacher will request that the pupil's class teachers set them appropriate work to complete.

The Headteacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents, and other agencies if relevant, where necessary.

Pupils are permitted to eat during the allocated times of the school day and may use the toilet as required.

Recording

Incidents of a serious nature will be recorded, with details of the incident and any actions taken or interventions put in place. Details of impact should be attached as/when appropriate – see **Appendix 1**.

[New] When a serious incident does occur, schools should seek the advice of the Trust's safeguarding lead.

Effective Classroom Management

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. The school understands that effective classroom management allows staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Teachers should maintain high standards at all times and should impose sanctions when students fail to adhere to these standards.

The role of the class teacher

- It is the responsibility of the class teacher to ensure that the school rules are enforced in their class, and that their class behaves in a responsible manner during lesson time.
- The class teachers in our school have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability.
- The class teacher treats each child fairly and enforces the classroom code consistently. The teacher treats all children in their class with respect and understanding.
- If a child misbehaves repeatedly in class, the class teacher keeps a record of all such incidents. In the first instance, the class teacher deals with incidents themselves in the normal manner. If poor behaviour continues, the class teacher seeks help and advice from the Head Teacher.
- The class teacher liaises with external agencies, as necessary, to support and guide the progress of each child.
- The class teacher reports to parents about the progress of each child in their class, in line with the whole-school policy. They will also contact a parent if there are concerns about the behaviour or welfare of a child.

Behaviour management will be a regular feature of teacher training especially for new, inexperienced or struggling staff.

Classroom Environment

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

Behaviour curriculum

Positive behaviour will be taught to all pupils as part of the behaviour curriculum, in order to enable them to understand what behaviour is expected and encouraged and what is unacceptable. Positive reinforcement will be used by staff where expectations are met to acknowledge good behaviour and encourage repetition. The behaviour curriculum will focus on defining positive behaviour and making it clear what this looks like, including the key habits and routines required by the school, e.g. lining up quietly outside the classroom before a lesson.

Routine will be used to teach and reinforce the expected behaviours of all pupils. Appropriate and reasonable adjustments to routines for pupils with additional needs, e.g.

SEND, will be made. Consistent and clear language will be used when acknowledging positive behaviour and addressing misbehaviour.

Punctuality

Students who regularly arrive late for registration should be monitored. If a student continues to arrive late he/she should be referred to Julie Cox (Attendance Lead) who should request a telephone call home/ referral to Early Help/ letter home to parents - see also Attendance Policy.

Dress code

Students must be challenged by all members of staff if they fail to comply with uniform regulations (including length of skirts/make-up/appropriate footwear/jewellery) and sanctions imposed on repeated offenders – see also Uniform Policy

Homework

Completion of homework is expected across school, age appropriate. For those pupils who find this difficult to complete at home, provision is made within the school day for it to be completed. Typical examples of homework are Home-School Reading, Times tables Rockstars etc. Staff will contact parents to ascertain any issues relating to homework completion and offer support, if necessary.

Staff Training, Induction and Support

As part of their continuing professional development teaching staff will receive regular updates and/or training on behaviour management and expectations. Newly qualified or newly appointed staff to the school will receive training at the point of induction. In addition, nominated staff will receive specialist training in physical restraint. Support for staff to improve their practice can be requested as and when needed.

Pupil Support & Dealing with Underlying Issues

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's Special Educational Needs Co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. Where a pupil is identified as having SEND, the graduated approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, taking into account the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Ensuring a pupil with visual or hearing impairment is seated in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or relevant medical condition
- Training for staff in understanding autism and other conditions

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This includes:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

[Updated] Use of reasonable force

Where reasonable force is required to prevent a child from harming themselves, others, or causing serious damage to property, staff will act in accordance with the DfE *Use of Reasonable Force* (2013) guidance and the Trust Physical Interventions Policy. While the guidance permits any member of staff to use reasonable force in an emergency, the school will maintain a designated group of authorised staff trained in safe handling techniques. All incidents must be recorded and reviewed as part of safeguarding procedures.

Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to:

- Remove disruptive children from the classroom where they have refused to follow an instruction to do so;

- Prevent a pupil behaving in a way that disrupts a school event or a school trip or visit;
- Prevent a pupil leaving the classroom where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others;
- Prevent a pupil from attacking a member of staff or another pupil, or to stop a fight in the playground; and
- Restrain a pupil at risk of harming themselves through physical outbursts.

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

Physical restraint cannot used:

- as a punishment – it is always unlawful to use force as a punishment.
- to enforce the school's own rules.
- to search for prohibited items, such as weapons and knives, drugs etc unless there is good reason to assume the pupil is carrying such items.
- to prevent a pupil from leaving the classroom if they are not at risk by doing so.

[Updated] Investigations

The School will co-operate fully with external agencies such as the Police/Social Services and will liaise with parents as appropriate or within the guidelines of the law and statutory duties outlined by the Government's Department for Education.

If a serious incident takes place, it will be investigated, and statements taken. Such statements can then be viewed and taken into consideration when determining outcomes – see **Appendix 2 and 3**. Schools should seek support from the Trust's Safeguarding Lead if a serious incident occurs.

Managing Behaviour

Instances of unacceptable behaviour are taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

The pastoral lead will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL, will be provided alongside the use of sanctions to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following sanctions will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable.

Sanctions must only be made by a member of staff who has been authorised by the Headteacher. In the first instance, misbehaviour should be dealt with by the teacher on the spot. If a student's attitude and behaviour lead a member of staff to believe that he/she has the potential to cause major disruption the teacher should refer him/her to a member of the Senior Leadership Team.

When an incident occurs during a lesson of sufficient seriousness that it needs immediate action, staff should send one student not involved in the incident with a triangle shaped card a member of SLT or the Wellbeing Lead.

All incidents of a serious nature should be investigated by the HT/DHT in the first instance and recorded using the record of incident forms – see appendices 2 and 3. These should then be uploaded to CPOMS.

In cases of extreme misbehaviour, (e.g. behaviour which threatens the safety of students and/or staff, the services of external agencies such as the Police or Social Care may be called upon.

All incidents involving knives, weapons and extreme or child pornography will be referred to the Police

Where an individual or group of students prove to be disruptive, staff who teach these students should join together to develop a coordinated action to deal with the problem. Staff should meet under the leadership of the HT/DHT to:

- Identify the disruptive student/s
- Formulate a combined and appropriate strategy for dealing with such students (which may include the drawing up of a behaviour plan or the imposing of sanctions)

Inclusion

**“The heart of the discerning acquires knowledge, for the ears of the wise seek it out”.
(Proverbs 18:15)**

We strive to provide a supportive and nurturing learning environment within which our young people can develop and grow emotionally and spiritually. This is provided both in and out of the classroom by specialist teachers and support staff. Our holistic approach develops students to become resilient, confident and independent.

Some of our students find education challenging for a number of reasons. By providing a structured and supportive environment, with skilled and committed staff who understand their individual needs, our students are given the best opportunities to experience success.

We recognise that children can, and sometimes do, make mistakes. We firmly believe, however, that when mistakes are made, we can learn from them and use the experience to further develop character and values which underpin and support our Christian ethos.

Pupil Support Unit & Internal Exclusion

A pupil support unit is a planned intervention occurring in small groups and in place of mainstream lessons. The purpose of this unit can be two-fold:

- as a planned intervention for behavioural or pastoral reasons
- as a final preventative measure to support pupils at risk of exclusion.

In both circumstances, the underlying ambition is to improve behaviour and maintain learning with the goal to successfully reintegrate pupils into mainstream lessons. The approach in the unit should be aligned to the culture of the whole school and compatible with the school's Behaviour Policy.

Internal exclusion and the use of pupil support units where provided, forms part of our whole school approach to promoting positive behaviour and may serve a number of different purposes, including:

- To accommodate pupils who have been removed from a lesson at very short notice for poor behaviour
- A cooling off period for one off incidents
- A punitive measure for unacceptable behaviour and/or disruption
- Avoidance of a suspension
- Time to reflect and move forward

Internal exclusion should not become a:

- Provision for long-term respite care
dumping ground for pupils who may need specific support
- 'Badge of honour' for children and young people (i.e. they can gain inappropriate approval from their peers)
- Fast track to permanent exclusion

Data on the use and referral to Pupil Support Units is routinely collected.

Where a student is in receipt of an internal exclusion, they will work in another classroom or in the Headteacher's office for the length of time agreed when the internal exclusion was issued.

Monitoring and analysis

All exclusions and internal exclusions will be recorded and monitored on a regular basis. Information collected will include, for example, gender, ethnicity, SEN status and age of pupils referred, the length of time each pupil spends in the remove room. This data will help inform early intervention projects and college self-evaluation.

Nurture Provision

The Nurture Room offers additional support to pupils who are experiencing difficulties on their journey through the School.

These difficulties can be short or longer term and for a variety of reasons and may prevent pupils from accessing fully the opportunities the school has to offer.

The Wellbeing Lead works closely with the Teaching staff, striving to provide a learning environment where all pupils can achieve their personal goals.

The advice and support made available is delivered in partnership with pupils, on the basis of equality, equity and inclusivity. Support is offered in a variety of different forms and parental involvement may be sought to ensure that a strong home/school relationship is developed and maintained.

“Forgiveness says you are given another chance to make a new beginning” - Desmond Tutu

Data collection and behaviour evaluation

The school will collect data from the following sources:

- Behaviour incident data, including on removal from the classroom
- Attendance, permanent exclusion and suspension data
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be monitored and objectively analysed termly by the Headteacher and the SLT. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

Monitoring & Review

This policy will be reviewed at least every 3 years. Regular reports on behaviour will be submitted within the Headteacher report to the Local Governing Committee and where necessary the policy will be reviewed at more frequent intervals.

Updated Exclusion Codes:

- Please note that as of September 1st2020 the DFE have made some changes to the pupil attendance and exclusions regulations in response to COVID-19. Schools should report using the new codes immediately.
- There have been 5 new exclusion categories introduced to describe reasons for exclusion.
- These are as follows:
 - (PH) – to capture the ‘wilful and repeated transgression of protective measures to protect public health’.
 - (MT) to capture the inappropriate use of social media or technology
 - (DS) to capture abuse relating to a disability
 - (LG) – to capture abuse against sexual orientation or gender identity
 - (OW) – to capture the use or threat of use of an offensive weapon or prohibited item
- In addition to the new codes the previous code of (OT) – to capture “other” reasons has now been removed and should not be used.
- All other previous codes remain unchanged.
- Please note, where previously, only one reason per exclusion was recorded (no matter how many a school listed on their return), now, up to 3 reasons can be recorded for each exclusion (where applicable). There is no requirement to order the reasons, which will be presented as unweighted counts in statistical outputs.

RANGE OF SANCTIONS AND INTERVENTIONS (NOT AN EXHAUSTIVE LIST)

- Intervention by Senior member of staff
- Meeting with Parents
- Detention/Internal exclusion
- Monitoring reports
- Fixed term exclusion
- Permanent exclusion (following formal investigation)
- Police involvement
