

Design something to leave behind!

Think of something that could be left behind for others to enjoy next year. Could it be a bug hotel? A guidebook to the trees and plants in the playground? Signs for an initiative like a 'friendship bench' where you sit when you need a friend?

How can you decide what to design?

- ✓ Think about an area in school that you have enjoyed using – how could it be improved?
- ✓ Think about a topic in school that you have enjoyed learning about – what could you do to make it even more fun for others?
- ✓ Think about a challenge you have overcome while you have been at school – how could you support other children in the future to overcome the same challenge?
- ✓ If you had a friend or sibling about to start at your school what would you like to see for them that you didn't have the chance to use?

What I am going to design?

How it will be useful to others?

What will the finished product look like?

The resources I will need for my design:
