

Make a word cloud!

How to make a word cloud.

Word clouds are a really nice way of creating something fun and attractive to look at, whilst including meaningful and thought provoking language. They make great gifts and decorations for your wall.

- ✓ Start by deciding who or what your word cloud will be about.
- ✓ Use a website like <https://www.wordclouds.com/>
- ✓ Type in the name of the object, person or place the word cloud is going to focus on. You might want to repeat this several times to ensure that word looks larger than the rest.
- ✓ Type in a list of other adjectives to complete your word cloud.

Look at this example above to get ideas for your own!
