

Year 6 Home Learning

I have listed some fun activities that you can do during the school closure. Have fun and stay safe. Mrs Henderson :)

Learn the capital cities of South American countries.

Go on a family walk and take pictures of the different trees you see. Go onto The Woodland Trust Website and scroll down to A-Z of Trees and see if you can identify them.

<http://www.sciencefun.org/kidszone/experiments/>

Choose a fun experiment to complete at home with your family and write up your experiment and findings

D Day: 6th June 2020

Read through the PowerPoint.

Design a medal.

Write a poem based on D Day.

Lego Challenge:
build a car

Food Safety Week 2020 4th-10th June

Look at the Healthy Eating PowerPoint

Design a healthy meal based on the guidelines from the PowerPoint. Maybe you could make this meal with an adult for tea one night.

PE:

- PE with Joe Wicks
- Cosmic Kids Yoga
- Jump Start Jonny
- Go Noodle
- Circuits

Refugee Week: 15th -21st June

Comprehension to complete (there are three comprehensions to choose from but you only need to complete one).

Discuss refugees with your family

World Oceans Day:8th June 2020

Using the worksheet, label the continents and oceans of the world . Read through the Layers of the Ocean PowerPoint then draw your own diagram, showing the layers as well as an explanation of each layer.

Research George Seurat then create a painting using pointillism.
