

Year 2 Home Learning Tasks

This term, we would have been learning about 'The Great Fire of London' in Y2, so I have included some activities to do with this along with a range of other activities and challenges. Please complete a minimum of 3 activities for 'The Great Fire of London' and as many of the other challenges as you like. (Anything that is [blue](#) is a hyperlink—click on these to see the work set.) I would again love to see some of your work/photos. If you'd like to share it with our school community, please 'inbox' us on Facebook or email the office. Have fun and stay safe. Mrs Peacock x

The Great Fire of London

- <https://www.bbc.co.uk/newsround/37222884>—draw a map of the spread of the fire.
- [Sequence the events of the fire](#) (paper plate activity)
- [STEM Lego Challenges](#)
- [Diary of Samuel Pepys](#)—write entries of the fire as it spread from the point of view of an eyewitness
- Produce a piece of artwork (drawing, painting, collage, etc) to represent the fire.

Dinosaurs

This is a project in which you'll learn all about dinosaurs. There are history, geography, science, art & DT and computing activities for you to complete. How many activities can you do?

Make a refreshing fruit salad to sit and eat in your garden in the sunshine.

The feast of Corpus Christi is on Thursday 11th June 2020.

Can you find out what this feast is about? Can you represent this feast in a creative way?

Learn a new dance - <https://family.gonoodle.com/channels/zumba-kids> Get fit & have fun!

Super Space Quiz

How much do you know about space?

Pupil Wellbeing

- You are special and loved. Make a [positive affirmation fortune teller](#) to remind yourself of this.
- What makes us feel good? [Positive Powers](#)
