

Dear Parents (and children),

Hello, I'm Mrs Nelson (I used to be Miss Cooper).

I will be setting your home learning work for the rest of this term.

I have included Maths work from the same programme that the children were following before half term. There is, as there was before, a parent guide to support you and your child in completing this work.

The English work for this fortnight is to continue the work set in the previous set of home learning.

I have based the other elements of our home learning on different themes. The theme for this fortnight for Year 4 is; Superheroes! I hope that you and your children will enjoy finding out all about superheroes and being creative in how you show this work.

Any links that are needed to complete the tasks can be found at the bottom of the home learning document.

If you require any support with any of the work set, please do not hesitate to contact me via the school email address. I am always happy to discuss any issues that may come up.

Don't forget to share your achievements on twitter, Facebook or again, via school email.

I do hope this letter finds you all well, physically and mentally. This has been a challenging time for all and I can't wait until we can all be back together in our school again. Until then, please continue to enjoy spending time with one another, doing things that we never usually get the chance to do.

Very best Wishes,

Mrs Nelson x
