

Reception Home Learning - Weekly Timetable w/c: 29.6.2020

As Mrs Veitch and Mrs McCormack are now teaching some of the Reception children in school each day, they are unable to design home learning tasks for those pupils still at home. Therefore, these tasks will look slightly different to those previously set by the teachers, but are designed for Reception children to learn and enjoy. Mrs Peacock (DHT) is compiling these activities and is happy to help or answer any queries/questions you may have. (If the video clips refer to previous lessons, please don't worry. This doesn't matter as the lessons in different weeks of the schemes are not linked.) Happy Learning! 😊

	Maths - Superworm <i>(Be sure you click Summer Term - Week 5 activities and follow the order of the lessons.)</i>	Literacy/Phonics - Jack and the Beanstalk <i>(Be sure you click Summer Term - Week 5 activities and follow the order of the lessons.)</i>	Other learning opportunities linked to the books
