

Seaside

<p>Visit the beach with your family for an early morning socially distanced walk.</p>	<p>Make a seaside collage using items found in your home.</p>	<p>Compose your own sea shanty/song. What does it sound like? Perform it to your family.</p>	<p>Make an edible jellyfish. (What have you used to decorate the jelly so that it looks like a jellyfish?)</p>
<p>Use paint or chalk to create an underwater scene.</p>	<p>Watch the film clip of 'The Little Mermaid': https://www.youtube.com/watch?v=LG6zL909y_o Design and make her a necklace of your choice.</p>	<p><u>Investigation</u> Can you make a paper boat that floats? Estimate and explore different weighted things it could carry.</p>	<p>Design and make a sea creature of your choice using junk/recyclable materials.</p>
<p>How would you explain the seaside to an alien? E.g. What's that thing that comes in and out on things called tides? Why does it do this?</p>	<p>Collect together the buckets in your house. Estimate and measure the capacity of each bucket. (How much water does it hold?)</p>	<p>Use starfish to practise your 5 times tables. Write some word problems, e.g. how many starfish would you need to draw for the answer of 25.</p>	<p>Paint a picture on different grains of sand paper. How does it alter the effect?</p>
