

Year 1 Home Learning Tasks

I have listed some fun activities that you can do during the school closure. How many can you complete? Share a photo with us of your home learning at: office@stjohntheevangelist.org.uk and we'll post them on our social media. Have fun and stay safe.

Create a picture of yourself in the style of 'Pop art'.

Look at how you can make your home more eco friendly- what changes can you implement.

Choreograph a dance to your favourite song.

Read the story We're Going on a Bear Hunt- recreate this on your daily walk.

Create a timetable for your day- what do you do at different times? Record the times for each activity.

With an adult, make a healthy lunch or dinner. Write down the instructions.

Lego:
Build a new house or car for your family.
Compete with a member of your family- who can build the tallest tower in a time.

Search the 26 keep up challenge- design your own sporting challenge in this format.

Working with an adult, choose a science experiment to do at home: <http://www.sciencefun.org/kidszone/experiments/>
Write-up the results.

Revise the Year 1 common exception word spellings (Google). Write a magic potion using as many of these words as you can.

Turn your daily walk into a scavenger hunt- how many different treasures can you collect?

Collect some leaves and use them to complete a picture using leaf rubbing.

Learn how to count to 10 in German, French or Italian.

Design and create an assault course- complete it. Can you do it with an egg and spoon?

Make a daisy chain - challenge your family. Who can make the longest?
