

Nursery Home Learning Weekly Tasks for w/b: 22.06.2020 & 29.06.2020

Miss Hearn is now teaching our Key Worker Bubble each day in school, so is unable to design the home learning tasks for Nursery. Therefore, these tasks will look slightly different to those set by Miss Hearn and apologies if I repeat any activities which you've previously had. (Hopefully, there's plenty here for you to choose from to avoid this repetition.) If you have any questions about these activities, please email the school office or telephone and I'll be happy to help in any way that I can.

As always, please share photos of your learning with us on our Facebook page. We'd love to see what you have been doing.

Happy Learning! 😊

Mrs Peacock (DHT)

Maths linked tasks	Literacy linked tasks
<p>2D Shapes</p> <ul style="list-style-type: none">• Practise the names of the 2D shapes - square, rectangle, circle and triangle. What do they look like? How many sides? Etc.• 2D Shape Hunt - What shapes can you see around your home or in the garden? (E.g. A window is a rectangle.) Draw and label these objects in your home learning books.• Glue and stick activity: Make a shape picture• Find a biscuit recipe to make. Cut the dough into different shapes. How many different shaped biscuits can you make?• Make a castle using junk/recycle materials. How many shapes can you spot?• Watch 'Mr Maker' and paint your favourite shape.	<p>Incy Wincy Spider</p> <ul style="list-style-type: none">• Sing the nursery rhyme together: https://www.youtube.com/watch?v=MBxeKG7_Hq4• Make the Incy Wincy Spider prop and retell the nursery rhyme using the prop to re-enact it.• Sing/re-enact/draw another nursery rhyme of your choice, e.g. Hickory Dickory Dock, Humpty Dumpty, etc...• Make a prop for this nursery rhyme, e.g. design Humpty Dumpty on a hard-boiled egg or make a Grandfather Clock for Hickory Dickory Dock...• 'A Sailor went to Sea' - see activities• 'Five Currant Buns' - see activities
<p>Counting (Animals & Minibeasts themed)</p> <ul style="list-style-type: none">• Bunny hop pencil control activity• Sing "1,2,3,4,5 - Once I caught a fish alive!"• Minibeast colour by number (1-5)• Read "A Squash and a Squeeze!" https://www.youtube.com/watch?v=PkdX73Onf04 count the animals who go into the house. How many go in altogether?	<p>A Squash and a Squeeze! By Julia Donaldson</p> <p>Listen to your parents reading the story or watch this video clip: https://www.youtube.com/watch?v=PkdX73Onf04</p> <ul style="list-style-type: none">• What did you enjoy in the story? Who is the main character? Can you join in this time as your parent reads it with the repeating part of the story? Write down the sentence which is being repeated.• Make a story map to help your child retell the story. These are pictures drawn in order and may include words which act

- Count how many teddies can you squeeze into your bed across the pillow. Can you paint a picture of the teddies having a sleep in your bed?
- How many sticks can you find in the garden? Count them. Practise writing the number. (Support your child by writing the number in yellow for them to trace over with a pencil, if needed.) Can you use the sticks to construct a picture/sculpture? What can you make - a stick man/a house/a rocket/a star/etc...? Can you find a story about what you've made and read it?

as a prompt when retelling. (I know this is a strategy that Miss Hearn has used in class. It could be on large paper/a roll of wallpaper and they walk over the pictures as they retell the story.)

- In your house, test to see which items you can squash or squeeze and which you cannot. Make a list of the items in each list.

Sorting

- Can you sort your plastic toys into colours? How many blue [or other coloured] toys have you got? Practise writing the number for that number of times, e.g. if 5 blue toys, write 5 five times (parental support may be needed).
- Can you sort your books into small, medium and large? How many of each group do you have?
- Sort your family into groups using one category, e.g. blue eyes - brown eyes; blonde hair - brown hair.
- Sort your toys by how they feel - hard/soft; etc.
- Toys Home Learning Challenge - see separate sheet

Postman Bear by Julia Donaldson

Listen to your parents reading the story or watch the video clip:

https://youtu.be/F1u_yq7i1U8

- Try answering some of the questions in the clip, e.g. what's inside the oven? (before lifting the flap to reveal the picture.)
- Did you enjoy the story? What did you like?
- When is your birthday? What did you do on your last birthday? Who came to visit you? What presents did you get? Have you had a lockdown birthday? What was special about it?
- Can you draw a picture of your ideal birthday party? Label the people and items.
- Can you design and make a birthday card/special card for a friend or family member?
- Make a special cake recipe to share with your family.
- Can you send a card/postcard through the post to someone? Write a message inside the card.

Additional Activities:

- Share stories and write down a sentence about each story.
- Maths activity sheets - see separate sheets.
- Dough disco: <https://www.youtube.com/watch?v=DrBsNhwxzgc> - 'If you're happy and you know it'. (This activity is similar to Nursery routine and develops children's fine motor skills.)
- Painting: Paint a picture of yourself; numbers; your favourite place to visit; etc...
- Use your cutting and sticking skills to make a picture.
- Make a collage pictures using scraps of material, card and paper.
