

# Nursery Book Bingo

Read some books about minibeasts (fiction or non-fiction). You could choose one from the 'Book suggestion' list on the 'minibeast factsheet' that's on the school website

Play some of the Phase 1 games on the Phonics play website

Take turns! - Get a grown up to tell you a story one night at bedtime and see if you can remember it and tell it to someone else in your family the next night. Tell them all about the illustrations

Your reading for the next two weeks is to complete as many of the 'Book Bingo' challenges. Remember to take pictures of you doing these so your parents can email school with these and share them on Facebook when we post a status about it.

Listen to 'The Very Hungry Caterpillar' story online or read the book if you have it at home with an adult

Make your own 'The Very Hungry Caterpillar' story book. Cut and stick the pictures from the story that Miss Hearn has put on the school website and retell the story to a grown up

Look at the powerpoint about minibeast habitats Miss Hearn has put on the school website. Can you remember 3 facts and tell them to a grown up? See if you can find any of the minibeasts outside?

Keep safe, keep reading and keep making memories.

Learn the CBeebies hand washing song. See if you can sing it by yourself to a grown up! You could video it and send it to school

Play the rhyme game on CBeebies. Can you find words that rhyme on your house?

Use the 'Phonics phase 2 cut and stick' activity that Miss Hearn has sent to the school website to match the picture and sound. You don't need to do them all at once. Start with the sounds s,a,t,p to begin with.
