

R.E

This term we are learning all about following Jesus and what this means. As we progress through the term we will look at Lent and the Easter story and what God and Jesus did for us.

Maths

In maths we will continue with the mastery approach to our new topics. This term we will be learning about fractions as well and multiplication and division. Throughout the term we will revise our knowledge of number so that we are secure with this. As with last term, we have a very practical based approach to maths which helps to reinforce the children's learning and also makes it a little bit more fun.

Spring Term Newsletter Yr 1

Please don't hesitate to contact school if you have any questions or concerns as most things are simple to address.

Miss Wharry

Topic

This term our topic is 'Yesterday is History'. Within this topic we will learn about different historical events which have a significance to us. We will learn about key events which have happened during our lifetime and why they are important. We will also explore how things have changed, it would be excellent if the children could learn about what childhood was like for different members of their family so we can compare this to their childhood today- this could be anything from toys to changes in the local area (Photographs would be greatly appreciated!)

Science

Our Science topic this term is everyday materials. We will examine and compare different materials and learn about their physical properties.

P.E

It is important that children have their P.E. kit in school on a Monday and take it home on a Friday to be washed.

Plimsolls are needed for indoor P.E and trainers for outdoor P.E. Shorts must be plain, dark colours and children will need to wear a plain white t-shirt.

If your child needs an inhaler this must be in school. PE lessons will be on a Monday.

Reminder: All children should have indoor shoes for schools and earrings must not be worn.

English

This half term we will continue to practise phonics, children will be expected to apply their phonetic knowledge in all lessons when writing. We will continue to develop our stamina for writing and pay close attention to our handwriting, ensuring we are forming all letters correctly. Throughout the term we will explore different genres of writing. We have started with a non-chronological report about Guinea Pigs, we will then use this knowledge to write our own fairy tale- The Three Little Guinea Pigs.
