

Thursday 19th March 2020

Dear Parent/Carer,

We are all aware of the message from the Prime Minister that all schools will close this Friday. As a staff, we are struggling to come to terms with this, as we know that all our families are facing such challenging times ahead. For everyone, these will be extraordinary times. I feel deeply for all our families.

Our school will be open on Monday for more vulnerable children and also the children of Key Workers. The DfE are due to give further guidance on the categories of Key Workers. Presently we understand this to include –

- School staff (as per the local authority)
- National Health Service
- Teachers and childcare staff
- Care home workers
- Delivery drivers

Ahead of this, I would be grateful if you could complete the questionnaire below to give us as accurate a picture as possible of the commitments and circumstances parents face. We want to do all that we possibly can to support pupils and families in the weeks and months ahead. **If you have more than one child in the school, we would be grateful if you could please complete a separate questionnaire for each child and return them to school tomorrow.**

I would like to reassure parents that we have detailed plans in place to support and educate our young people. These plans will be outlined tomorrow. I am determined that we will aim to move forward together, continuing to share the values that make our school a special place even though we will not be together each day on site.

Thank you for your continuing support.

Kind regards,

Elaine Allen
