Vocabulary:

measure
capacity
group

English

Vocabulary:

Address, date, greeting,
main text, sign-off

By the end of the week:

1a. Find your phonics sounds booklet in your home-learning pack and find the page with the 'ay, ai, a-e' sounds. Practise reading these words at speed. If you haven't come across the 'a-e, ai' sounds in Read Write Inc then just do the 'ay' words.

1b. Use these words to write some simple sentences in your home-learning book. **W.A.L.T. Write simple sentences**

2. Can you write a letter to the favourite character you described last week? Tell them all about what you have been doing since you left school. Try to include our key features of a letter – address, date, greeting, main text and sign-off. **W.A.L.T. Write a letter**

Please remember to read each day using the oxford Owl and/or the get Epic site and access Spelling Shed daily to evidence progress in spelling.

Week Beginning → Monday 6th April 2020

Geography/

History

Our new history topic is World War I. Can you ask your family about what they already know about this war and create a spider diagram of your prior knowledge facts? This can be words, sentences or pictures.

W.A.L.T. Talk about WW1 with my family

RE

Watch the video via the link below about Palm Sunday

<https://www.bbc.co.uk/bitesize/clips/zy2hyrd>

Can you write or draw pictures about what happened on Palm Sunday? Why do we wave palms on this day during Holy week?

W.A.L.T. Describe what happened on Palm Sunday

Music/ French

Pick a song you hear on the radio / YouTube / Spotify / etc and try to write down all of the instruments you can hear.

You might need to listen to it 4 or 5 times to make sure you have listed all of them! Practise singing along to this song and perform it for your family.

Science

Taste Test:

Use the senses sheet to complete the blind folded taste test. If you do not have any of the items at home just use a close alternative. The children are learning what their body parts are used for starting with the 5 senses.
