By the end of the week:

Mental objective for the week: recall x3, x4 and x8

Learning objective for the week: fractions Please use the link below to work through the sequenced lessons: one for each day of the week. We are working this week on **WEEK 2** <https://whiterosemaths.com/homelearning/year-3/>. There is a presentation and question sheet for each daily lesson which you can work through – either print out the sheets or write your answers in your workbook that came home.

Purple Mash Login to Purple Mash and complete the 2dos on fractions, shown here.

Please also ensure that you access **Times Table Rockstars** daily. This will show your progress in times tables

Vocabulary:

Fraction, third, fifth, tenth

English

Learning objective for the week: use verbs and adverbs within a sentence

Writing This is Animal Town. Imagine you are a visitor there. Write a short story to describe your time there. What did you see? Who did you meet?

SPAG Super Sentence Challenge!

Can you use verbs and adverbs to describe what each of the animals in the picture are doing? E.g. The zebra wandered sleepily across the road. Follow the link for some more information about this unusual town that will help you in your writing

<http://www.pobble365.com/animal-town/>

Spellings

Work through Unit 6 of your RWI Spelling Book. Do a different activity each day. Please also ensure that you access **Spelling Shed** daily. This will show your progress in spellings.

Reading

Reading books are on the getepic website and then quiz please! If you are struggling email year3@st-john-vianney.blackpool.sch.uk

Parents/Carers If you have any questions about anything please email – year3@st-john-vianney.blackpool.sch.uk and we will find out the answers out for you! Don't forget to go on Twitter too - @SJVBlackpool we love to see what you are doing. Stay Safe. M

History

Imagine you live in the Stone Age. What food do you eat? This week's task is to plan a Stone Age menu for you and your Stone Age family. You will need to include what you will eat but also describe how you will find it. Will you gather food to eat or hunt for it? What tools will you use? Use research for ideas.

<https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/z34djsx>

WALT: Plan a Stone Age menu

RE

Read the story of the Resurrection. On Easter Sunday we celebrate how Jesus rose from the dead. Write a diary to tell the story from Mary Magdalene's point of view. What did she find when she visited the tomb? How did she feel when she saw Jesus? You can also draw a picture to illustrate the story

Walt: Retell the events of The Resurrection

PE Join Joe Wicks for his daily 30-minute PE lesson

Week Beginning → Monday 6th April 2020

Science

Walt: Investigate how exercise affects heart rate

Make sure you have completed last week's investigation. What did you find? Did your heart rate go up when you exercised? Were your results different, depending on the exercise you chose? What did your friend's results show?

This week, write a short conclusion, which includes;

- A description of what your results show
- A sentence to say whether this matched your prediction
- A short explanation of why you think this happened. Think about what job your heart does and discuss your ideas at home.

French

Log on to Purple Mash, open the 2do called **Food-La nourriture** - there are lots of fun vocabulary activities to try and a song to learn. Your main task is to create a shopping list using 'Create – La Liste' Save your list so we can see what fantastic shopping lists you have created.
