

Saint Joseph was humble, gentle and wise. Joseph took care of Mary and Jesus. He is the patron saint of workers because he was a carpenter, who worked very hard. Whatever the Lord wanted him to do, Saint Joseph did no matter how difficult it was. We celebrate the feast day of Saint Joseph on March 19th.

Prayer

Lord Jesus, Saint Joseph cared for you with strength and wisdom. Help us to see that same strength and wisdom in those who love and care for us. Amen.
