

## KS1 Fairytale Ball

### 👑 KS1 Fairytale Ball 👑

Key Stage 1 started Storytelling week with a Fairy Tale Ball. They spent the day dressed as their favourite story characters and enjoyed a range of activities including puppet making and character designing.

The afternoon was spent at the Fairy Tale Ball where they took part in a parade and ballroom dancing.

Storytelling is one of our favourite things to do at St. Joseph's, and we are excited to have a week of books, story writing, and drama activities planned.
