

## Seven Stories Trip, Class 8, September 2022

Class 9 had a super day on Monday at Seven Stories, The National Centre for Children's Books in Newcastle.

The children visited the Judith Kerr kitchen exhibit from 'The Tiger who came to Tea' and celebrated the work of Betty Laron - famous for comic art and nostalgic illustrations.

Inspired by the theme of magic, the children visited The Wildwood Gallery where they explored the magical world of Narnia, Discworld and Hogwarts. A day of sharing, creating and loving stories was had by all!
