Remote Learning

Parental Views

I just wanted to send a message to say thank you to the teachers for making this home learning process so simple and enjoyable.

It's clear how much hard work and effort has gone into these lessons and as a parent I am so grateful.

I just wanted to say thank you for the support from the school, it's challenging but made all the easier by the detailed lesson plans.

Thank you for providing a home learning pack. There are lots of things to support at home and we appreciate the time it has taken to get it all sorted and put together :)

Can I just congratulate the staff and teachers on the fantastic job they're doing. It's been a huge learning curve, but they've provided routine and structure, as well as a friendly face on the screen. Thank you all for the help and support.

This is actually the first time I have been able to sit with my child during lessons due to work commitments and I was dreading it. I was so wrong.

Parental Views

I just wanted to say how happy I am with the online learning for pupils. I am really impressed with

the warmth and enthusiasm that the teachers express, and particularly how the teachers can keep the

attention of my 4 year old!

Thank you all for the help and support.

I just wanted to thank you so much for getting the balance right with the amount of work you are setting. My Son is loving the live lessons. I just had to let you know, you are doing an amazing job.

Well done and thank you to all staff members at the School. I, and no doubt many others would be lost without you!

Remote learning is fabulous. My child has been so keen to get online, she is enjoying doing the

work and a bonus that she can see all her friends. We are reaping the rewards of all your hard work. Thank you so much.

You Said....	We Did...
○ <i>My child doesn't have access to a laptop or tablet</i>	✓ We provided a device on loan
○ <i>My child is struggling with online learning could we have a paper version?</i>	✓ We provide paper packs for anyone who requests them
○ <i>My children share a device and can't access live lessons at the same time as their timetable dictates.</i>	✓ We record every live lesson so that your child can access it at a convenient time.
○ <i>Can every class have be set up on Teams including Nursery and Reception?</i>	✓ We set up all Nursery and Reception pupils with their own Teams login and started live lessons for them too.
○ <i>Can each class use the same method to upload?</i>	✓ We moved all classes work to 'Assignments' by the end of the first week back in Jan 2021
○ <i>Can we limit the amount of worksheets the children are asked to use?</i>	✓ Senior Leaders fed back your comments to teaching staff and worked with individuals to ensure they were planning lessons which relied less on worksheets.
○ <i>Can you send some exercise books or paper home for children to use?</i>	✓ We sent a Maths and English exercise book home for every child in the school.
	✓ We sent a stationary pack home for all disadvantaged pupils.
