4. walking
5. shouting
6. hunted
7. buzzed
8. jumped
9. walked
10. shouted

English

We are at the end of our year in year 1. We haven't seen each other for a while, so I want you to write some sentences about what you have been doing at home during lockdown. Tell us about any new experiences you have had, how you spent your days or even about a favourite memory from lockdown.

Remember to include capital letters, finger spaces and full stops in all your work

You can email any pictures of your work to the office.

office@stjosephsacademy.org.uk

Maths – Problem Solving

We have learned lots of new maths skills over the last school year. Can you practice some of these skills at home;

- Number bonds to 20
- 2's, 5's and 10 times tables
- Recognise and label 2d and 3d shapes in your home.
- Play what's the time Mr. Wolfe.

RE – Treasures

1. Draw or list all of the things that you treasure and tell your adult why you treasure these things.
2. Water is precious. Not everyone has access to it like we do. Create a leaflet about the importance of water.

<https://comeandsee.cafod.org.uk/year-2-resources>

PE – Try to get 30 minutes of exercise a day.

1. Join in with PE with Joe Wicks every morning.
2. Pretend you are PE teacher and create a lesson for your family to complete with you. Make sure they are well behaved and complete the tasks!

Pick two words each week and write a sentence for each.

Art & DT

1. Memory Box – Draw/make a box. Fill it with good memories from lockdown.
2. Dream Jar – Draw a jar and fill it with your hopes and dreams for year 2. It might include learning how to improve my handwriting, learning to ride a bike or doing some science experiments. It is up to you! Decorate your jar however you like.

Science

With your adult, find out who:

- Invented Lego
- Invented waterproof materials
- Discovered fossils

History & Geography – The Seaside – Lighthouses

Research a beach in a different country or imagine a beach on a tropical island. Create a postcard as if you are there. I want you to include what you can hear, smell, see and feel and what you are doing.
