### English

Write a letter to Neil Armstrong, asking him questions you would love to know the answers to!

Create your own story about an alien from outer space.

### Maths

Practice your times tables on Timetables Rockstar's.

Create 2-digit addition questions, using tens and ones complete them.

Then create 2-digit subtraction questions and complete them too.

### RE

Use your bible to read the story of Palm Sunday. Draw a story map of what happened.

Use your bible to read the story of the Last Supper when Jesus washed the feet of his disciples. Draw a story map of what happened.

### Art - Space

Draw an alien you would love to meet. Can you use materials to make your alien? Take a photo and bring it to school so we can all share our aliens.

### PE

Create a circuit. Try to include star jumps, high knees and side steps.

Make up your own dance routine to your favourite song.

### Science – Materials

What materials would be best to make a space rocket? Design and make a space rocket that could go to space! Think about the weather when launching as your rocket may need to be waterproof.

### History - Space

Neil Armstrong took an American flag to the moon. Design and draw your own flag that you could take to the moon.
